Now is the people's chance to swat the spendthrifts. Will they accept their opportunity.

THE voters will have their say on Tuesday next, and it's going to be Lee, Copper and Maloy, and the Anti ticket from top to bottom.

EVERY voter should read carefully the instructions to voters published in another column before he goes to vote. Don't make any mistake in your ticket. Fold it as you get it and place it in the envelope and seal it before handing it to the judge.

THERE are just 23 names on the Anti ticket to be voted for on the official ballot. Mr. Gilbert B. Taylor's name does not appear on the ballot because he has no opposition. Learn these 23 names and get them well in your mind.

THE Road Engineer has spent $86,640.06 on the roads in the First District during the past year. This is within $23 of ONE THIRD of the $19,990.29 which he spent in the entire county. Just think of it, Mr. Tax-payer.

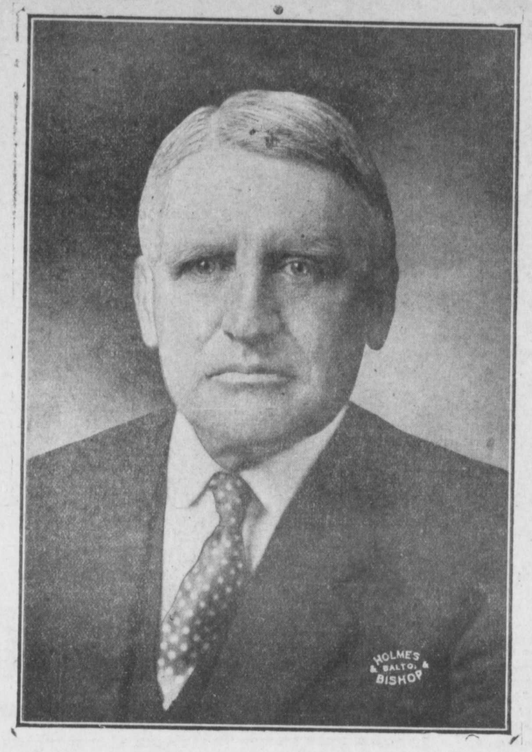

SENATOR LEE has fought a good fight, he has kept faith with the people, and there is in store for him on Tuesday an overwhelming victory over Mr. Harrington. Lee has been gaining steadily, and it will not be surprising if he has 90 votes in the State Convention.

REMEMBER, Mr. Tax-payer, you can never get rid of Gibbsism by voting for Mr. Wm. W. Beck for Senator, Howard Turner for the Legislature and the Organization Board of County Commissioners. The Organization is tied hand and foot to Gibbism, and they dare not get rid of Gibbs.

THE safest combination for the people to nominate and elect is the Anti legislative candidates—James Elwood Morris for Senator, Jefferson D. Ayres, and James G. Harris for the House, and the Anti County Commissioners—W. Fletcher Melvin, Thos. Dunn and Harry Nicols. That is the only way to assure real economy and progress in county affairs.

SHERIFF BROWN and his deputy were kept busy on Saturday night and early Sunday morning arresting drunks. Bill Waters was arrested and is lodged in jail for the October term of court charged with violating the local option law. Sheriff Brown, we understand, was compelled to buy all the mattresses Mr. Bartley had, there were so many run in for being drunk. Oh! what a curse that gallon-a-month law is.

THE PEOPLE'S CHOICE

BLAIR LEE

WILLIAM MILNES MALOY

WILLIAM B. COPPER

THE SURE WINNERS IN TUESDAY'S PRIMARIES.

Now for a great victory for the Antis at the polls on Tuesday. The people all over the county are aroused as never before, and they mean to see to it that their rights and privileges are protected.

A MOST serious question for the voters to answer at the polls—ARE WE GOING TO NOMINATE MEN TO OFFICE IN THIS COUNTY WHO FROM 1903 TO 1909 CAUSED A COUNTY TAX RATE OF $1.85 AND WHOSE SENATOR AND DELEGATES IN THE LAST LEGISLATURE CAUSED AN INCREASE IN THE COUNTY'S INDEBTEDNESS OF $65,000? Men of Kent county, this is the BURNING issue in this campaign. Vote for your own interests.

IF YOU are going to place Mr. Wm. B. Copper at the head of the Comptroller's office, you should certainly send J. Elwood Morris to the Senate and James G. Harris and Jefferson D. Ayres to the Legislature. This is a combination that can accomplish for Kent many things that have never come this way before, and a great deal more can be accomplished by such a combination than if Mr. Beck and Messrs. Turner and Lewis are in the Legislature. Think this over and see what it means to Kent county.

GO OUT.

Every man who is interested in his county government and in his own financial welfare should go to the polls on Tuesday and vote for the men who will protect their interests. The primaries is the place in which the people can assert their power, and the man who refuses to go to the polls on primary day has no right to complain of the ticket nominated nor at the action of those nominated and elected to office. Here is the voter's great opportunity to strike a blow at extravagance, and we urge every man to go out and vote.

DIFFERENCE IN INDORSEMENT.

A significant fact in connection with the present campaign is the exceedingly strong endorsement of Senator Lee by a number of the most prominent business men and lawyers in Baltimore city and the very few such endorsements which have come to Comptroller Harrington, Senator Lee's opponent. Merely as a comparison we give the indorsements as far as we recall them:

FOR SENATOR LEE.	FOR HARRINGTON.
Commodore Thornton Rollins Major Randolph Barton, Henry Williams, George Weems Williams William L. Marbury Former Gov. Edwin Warfield Former Mayor Mahool.	Frank A. Furst.

GOT VERY INDIGNANT.

At the Harrington meeting in Rock Hall last Saturday night, we understand that Mr. Harrington, Organization candidate for Governor, and Mr. Wm. W. Beck, Organization candidate for State Senator, both of whom profess to be so vitally interested in the oystermen, got very indignant because they were asked to answer the following question: "Will you, if elected to your respective office, remove Capt. Tom Howard as commander of the Oyster Navy?" This was a perfectly legitimate and practical question, and one that could have been answered by Mr. Harrington and Mr. Beck in a perfectly frank and fair manner. Instead of that Mr. Harrington and Mr. Beck got as mad as hornets and Mr. Beck characterized the question as an outrageous proceedure. Why should it be? Mr. Beck knows that the oystermen of this county dispise Capt. Tom Howard; he knows that the oystermen want him removed, and pretending to be so much interested in the oystermen's welfare, upon whose votes he is depending for renomination, if he had been half as interested as he pretends to be, why did he not say, "Yes, the interests of my county oystermen are first with me. If Capt. Tom Howard has done you injustice, I'll do what I can to have him removed." Instead of that he said he had nothing to do with it, that if the people wanted him removed he would do what he can, meaning of course, by "the people" his friends in the State and not the oystermen of Kent county. Mr. Harrington simply said that if a *majority* of the people wanted Capt. Howard removed, he would remove him, meaning of course, the same thing by "a majority of the people," a little small group of State leaders than Mr. Beck. Mr. Beck was also asked the question, "Why he allowed foreign dredgers to go to Hodge's bar out of season and take our county oystermen's oysters down the bay for planting purposes, when he was State's Attorney." He said again that he had no control over them, that the Shellfish Commission had sent those dredgers there, and he could not prevent it." Five years ago in a speech in Piney Neck Hall, Mr. Beck told the oystermen that the reason the dredgers were allowed to go there was because the Foxwell-Haman law allowed them to go, and yet last Saturday night he tried to put it on the Shellfish Commission. The truth of the matter is that Mr. Beck *did* have the authority to arrest every one of those dredgers, but he knew who had sent them there and he sacrificed the interests of the Kent county oystermen in order to please Capt. Tom Howard. It is so strange that the Organization should be so evasive when they are asked questions, and it is even stranger that they should characterize as disgraceful the simple asking of a question by the oystermen themselves, in order that they might know what to expect in the event of Mr. Harrington's election We'll tell the oystermen what they will get—just what they have always gotten—NOTHING.

A $240,000,000 charter was filed at Dover, Del., last week by the E. I. duPont deNemours & Co., of Wilmington.

A LAST WORD.

The campaign for local and State offices has about closed. Nothing remains to be done now except arranging the details and getting out the votes. The whole matter is in the people's hands. The TRANSCRIPT has endeavored to lay before the people of the county from Saturday to Saturday the real issues of so much importance to the tax-payers, the oystermen and the people generally. A very decided attempt has been made to draw us from the trail, but we would not be swevered from our purpose and the people should know by this time the real and vital issues in this campaign. It is now simply a question as to whether the voters will see the importance of a change in State and county affairs and vote to turn out of office men who have been recreant of the trust reposed in them by the people who elected them to office. It is high time for a new alignment in State management and in the leadership of the Democratic party. The present leaders have become so saturated with the spirit of self-interest that they have miserably neglected the people's highest interests, and conditions are such to-day, both in county and State finances, that the people are overwhelmed with excessive and unnecessary burdens of taxation. The people know that. They are feeling the effects of it more and more every day. Now, if they will only stop and satisfy themselves as to who is responsible for that condition, they will not hesitate to vote against every man on the county and State ticket who bears the stamp of Senator John Walter Smith, or any of his lieutenants. The day for the rule of Senator Smith has passed in this State, as well as for the continuance of that remnant of his power in Kent county which has caused the burdens of taxation to fall upon the people.

Our last word to the voters of this county is VOTE FOR YOUR INTERESTS, VOTE AGAINST EVERY MAN WHO HAS HAD ANY HAND WHATEVER IN INCREASING YOUR FINANCIAL BURDENS, AND VOTE TO PROTECT YOUR OWN AND THE WELFARE OF YOUR FRIENDS AGAINST THE MEN WHO HAVE WASTED YOUR MONEY. VOTE FOR LEE, COPPER, MALOY, AND VOTE FOR THE ANTI-ORGANIZATION TICKET FROM TOP TO BOTTOM. That is the ONLY way to get relief.

PEOPLE'S COLUMN.

Rock Hall, Md., Sept. 8, 1915.

MESSRS. EDITORS:

I want to state to the people of Kent county that the statement Mr. Beck made in Rock Hall Saturday night in regards to the questions that were asked him were not asked through any harm, only we all wanted to know who we were voting for, and I wish to state that we all saw just what we were signing and what we signed it for, and if the kind of laws we got under Mr. Beck don't make us hang our heads in shame, his talk will never make us even blush.

Respectfully,
CHARLES O. KENDALL,
Rock Hall, Md.

STRONG FOR LEE.

Henry Williams, of Baltimore, Declares He is the Man Best Fitted to be Governor.

Henry W. Williams, one of the best known independent Democrats in the State, in an interview Thursday gave the reasons, in his judgment, why the Democrats of Maryland should nominate Blair Lee for Governor instead of Emerson C. Harrington.

Mr. Williams had nearly a two column interview in the Baltimore City News on Thursday evening. He said in part:

"I am in favor of Lee and against Harrington as the Democratic candidate for Governor, first of all, because Lee is his own man, and not merely the representative of somebody else; he is his own candidate, and will, if elected, be Governor of the State of Maryland, and not merely the mouthpiece and the hand of some other man.

"I am opposed to Harrington, because he is not his own candidate, and because, if elected, he will not be Governor of Maryland, but will be merely the representative and agent of Senator Smith as boss of the Democratic party in the State of Maryland.

"The issue in this Democratic campaign should be economy and efficiency in government. Lee is known by his record. Harrington must be judged by the record of Senator Smith.

HARRINGTON LACKING IN QUALIFICATIONS.

"Harrington is Comptroller of the State of Maryland—and I have before me his report for the fiscal year, 1914. The report itself does not indicate any qualification whatever in Mr. Harrington for the position of Governor.

"On the contrary, no man qualified to be Governor would have signed such a report. The report should disclose the condition of the finances of the State, but does not do so. It contains a multitude of figures from which no positive information can be obtained. I do not mean that the report is intended to cover up fraud. It is merely the report of an incompetent man; it does not disclose the facts.

"It shows conclusively, however, that Mr. Harrington, as Comptroller, administered the finances of the State in a most haphazzard manner. He may have inherited such methods from his predecessor, but a man of the proper caliber to be Governor would not have submitted to them."
