A POWERFUL CHAIN.

Senator John Walter Smith absolutely controls Emerson C. Harrington, his candidate for Governor; Emerson C. Harrington absolutely controls Captain Tom Howard, commander of the oyster navy on one side, and Captain Tom Webster controls him on the other, and the big packing houses of Baltimore city absolutely control Capt. Tom Webster. So, with such a powerful chain as this, the great packers have the oystermen of the county and State by the throat, and they can pass any bill they want in the Maryland Legislature that is absolutely in their interests and against the oystermen. This is the reason that Capt. Tom Howard requires the oystermen to give a raise in every bushel of oysters they sell to the big packers, and that is the reason that William W. Beck, when State's Attorney for Kent county, allowed these dredgers to go to Hodge's Bar and take the county oystermen's oysters down the Chesapeake bay for planting purposes. This chain of powerful influences has never done one single thing for the financial benefit of the oystermen, and the only thing that the Sheppard oyster law has accomplished is to allow Capt. Tom Howard to make the oystermen give a raise in every bushel to the big packers to the great financial detriment of the oystermen. That is the real and truthful situation with regard to the oystermen and fishermen, and the Organization faction in the State and county has no more interest in the oystermen than they have in the tax-payers.

Chautauqua Next Year.—The necessary number of season tickets for next year's Chautauqua has been guaranteed and the Chautauqua is an assured thing for 1916. The guarantors had some difficult in securing the required number of tickets due, we believe, to the fact that some people have the impression that a part of the single admission is applied to the guarantee fund, or that the local guarantors receive a part of the gate receipts. This is a very wrong impression. Any one who desires to attend the Chautauqua next year, three, four or five evenings, should purchase a season ticket, which can be used for the balance of the time by some member of your family. Besides this we are very much of the opinion that the guarantors should require a much better standard of entertainment for the great outlay of money involved

The public schools of the county will open for the fall term on Monday. Washington College opens on Wednesday.

Don't Mistake the Cause.

Many Chestertown People Have Kidney Trouble and Do Not Know It.

Do you have backache?
Are you tired and worn out?
Feel dizzy, nervous and depressed?
Are the kidney secretions irregular?
Highly colored; contain sediment?
Likely your kidneys are at fault.
Weak kidneys give warning of distress.
Heed the warning; don't delay—
Use a tested kidney remedy.
Read this Chestertown testimony.

Mrs. Albert Rawleigh, Connon, St., Chestertown, says: "One of my family suffered from kidney trouble. The kidney secretions contained sediment and the passages were too frequent. There were pains through the back and kidneys and at times dizzy spells. Doan's Kidney Pills, procured from Toulson's Drug Store, made the patient well.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rawleigh recommends. Foster-Milburn Co., Props., Buffalo, N. Y.
