WHY

NOT THIS SEASON? You'll eventually come to us for your Suit.

Did you ever experience the comfort of a made-to-measure suit?

Look around, there's plenty of them turned out by our plant. It's no experiment. See the fit, quality of fabric trimmings and workmanship. Then ask the price paid. Get all this information from the man who wears them. This is our plan. The proof of the pudding, &c.

Don't tell me what you're doing, it's not so convincing, but show me. Special pattern cut for each suit, and guaranteed in every particular, made to your measurements, looks like it belongs to you, feels like it belongs to you, and you can occupy one for less money than you can now buy some fabrics in ready-mades. See for yourselves. Suits from $12.60 up.

Respectfully,

W. E. MOODY,

Special Representative for Kent and Queen Annes Counties of the International Tailorng Co. of New York, Chicago and London,

(Next to Robert McWhorter's)

CHESTERTOWN, MARYLAND.

THE TRANSCRIPT pledges its support and the support of its friends throughout the county to the ticket nominated in the primaries on Tuesday. We shall do our best to elect the ticket nominated, not because we do now approve of Organization methods of goverment, but simply because we went into this primary fight and lost and because we lost in our effort for better and more economical administration of the state and county affairs, this is sufficient to compel any good party man to support the ticket nominated. Mr. Harrington and his victorious associates have pledged themselves to a new order of things. They have promised the people *econony* and believing that it is for the very best interests of the State morally and politically that it should be controlled by the Democratic party, we shall do everything in our power for the election of the ticket in November.

TO MY DEMOCRATIC FRIENDS.

I feel it my duty to take this method of thanking my friends who worked for and voted for me in last Tuesday's primary, Sept. 14th, and urge you all to get behind Mr. George Sutton and the rest of the Democratic ticket in the election as you did me in the primary.

DEARBORNS

Tomato Season is now here and you look over the old Dearborn and think it will not hold out for the season, you naturally think of buying a new one and wonder where to get it. Now we want you, before you buy, to come and look our Dearborn over. When we say it is better this year than ever before, we do not say so without due consideration. Our wheels are better than they were a few years ago. We use a better shaft than ever, and the material in the bodies is the best Gulf Cypress. We have them already to hook a horse to and take home with you. The price is no higher than last year.

DISK HARROWS.

The best oiled, most even running Harrow we have ever seen. Press grease cups take the place of the old open pipe boxes on this Harrow and make the oiling positive. Our large buying of these Harrows has made it possible for us to sell them at about the same prices as formerly. If you are interested in Disk Harrows don't fail to look this one ever.

Yours to serve
