La Tena's Show.

Bright and clean and overflowing with genuine acts and of worth-while quality, La Tena's Big Wild Animal cirus played to capacity crowds here last Wednesday, pleasing young and old alike, with its excellent program of novel numbers more than one of which would have done credit to a much more pretentious show. Every thing about the show was clean and well regulated, the costuming and staging of the various acts was beyond reproach and the entire outfit provod one of even quality and considerable merit.

It was Houlton's third taste of circus entertainment this season and the show offered by the La Tena outfit was of a high order considering the size. Both in the quality of the program and in the show, La Tena's circus proved a genuine credit to the show business as a whole.

From the opening parade to the final number there was not a dull moment for somewhere, either in the ring, on the stage or within the big steel animal arena, an act worthy of notice was in progress. A feature that proved well worth the price of admission alone was provided by Wesley's seals, an aggregation of trained animals that would be hard to equal anywhere. They play ball, play in a band and one old fellow actually succeeds in walking a tight rope unaided. In vaudeville, Wesley's seals would be termed a big time act, as a circus attraction the number has few equals.

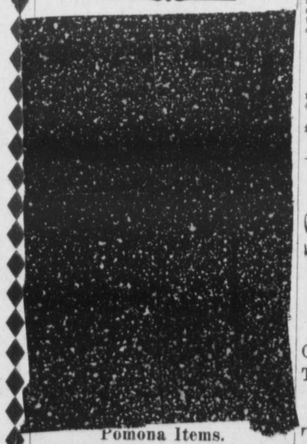

Other animal acts worthy of more than passing notice were Walter Allen and his performing elephants, Balchman's bears and last, but by no means least, Marguerite's lions. A fancy riding act, featuring a tango on horseback, savored of the Barnum and Baily show and was done with grace and ability by two clever equestrian performers. The program also included a very clever troupe of wire walkers who did many novel tricks and a gifted family of contortionists besides a number of aerial performers of merit. Trained dogs, a small army of clowns and a host of other attractions added the necessary variety and all in all was a fine entertainment. Interesting Church Statistics.

Statistics showing the work of the last convention year in the Protestant Episcopal Diocese of Easton have just been completed by Mr. S. E. Shannahan, of Easton, secretary of the diocese.

The figures are most interesting. The Diocese of Easton embraces all of the Eastern Shore counties. During the year there were received six clergymen; six also were transferred, the present number being thirty-four. There are thirty-nine parishes, twenty-five missions, thirthy-three rectories, fourteen parish houses. There were twenty-three adult baptisms and 172 infant baptisms, a total of 195. The number of familes reported to the convention is 2,100, baptized members 6,754, parishoners 7,535, confirmed were the same as last year 182, actual communicants number 3,693; 134 marriages were performed during the year and 171 were buried.

There are 224 officers and teachers in Sunday schools and 1,950 pupils. Contributions to the church at large amounted to $3,184.67, contributions for work in the diocese were $3,342 54, amounts contributed by the various parishes for work in the parish amounted to $51,840 35, a total of $58,367.50. The total property value in the diocese is $489,101.52; to this should be added nearly $60,000 in endowments for the Episcopal clergy relief and other funds.
