Do You Practice Dress Economy?

Did you ever try a made-to-measure suit, costing say—$15, $18 or $20?

We have values at $25, $30 and $35, but we want to call your attention to the fine qualities, the splendid tailoring and the exceptional values in our Suits and Overcoats at these economical prices.

You will be pleased, for price economy, plus everthing a man wants in clothes—style, tailoring and quality. We would like you to come see what we offer at $15, $18 and $20.

Respectfully,

W. E. MOODY,

Representing the International Tailoring Co.

DEARBORNS

Tomato Season is now here and you look over the old Dearborn and think it will not hold out for the season, you naturally think of buying a new one and wonder where to get it. Now we want you, before you buy, to come and look our Dearborn over. When we say it is better this year than ever before, we do not say so without due consideration. Our wheels are better than they were a few years ago. We use a better shaft than ever, and the material in the bodies is the best Gulf Cypress. We have them already to hook a horse to and take home with you. The price is no higher than last year.

DISK HARROWS.

The best oiled, most even running Harrow we have ever seen. Press grease cups take the place of the old open pipe boxes on this Harrow and make the oiling positive. Our large buying of these Harrows has made it possible for us to sell them at about the same prices as formerly. If you are interested in Disk Harrows don't fail to look this one ever.

Yours to serve,

Davis & Satterfield,
