2,400 votes cast in the
primaries. That is suf-
ery man on the Demo-
n the election by some 700
Let's see how many Demo-
votes are cast in the election.

THE reports of the treasurers of the campaign expenses for Messrs. Emerson C. Harrington and Blair Lee in the recent gubernatorial primaries show that Mr. Harrington spent $37,615, while Senator Lee spent $31,993.13.

EVERY Democrat in State of Maryland should go the polls on November the 2d and vote the straight Democratic ticket, and every Republican who voted in the last Democratic primaries is morally bound to vote the Democratic ticket in the election.

THE average cost per mile of State roads in the States bordering on Maryland ranges from $5,000 to $9,000 per mile. In Maryland 1000 miles of State road has been completed at a cost of over $17,000,000—an average cost per mile of $17,000. How much *business ability* has been displayed in such an enormous cost of our State roads?

THE annual convention of the national Association of Postmasters of the first and second class will be held at the New Willard Hotel in Washington next week beginning on Wednesday. President Wilson will give a reception to the postmasters and their wives, and Postmaster General Burleson will preside at the banquet. Postmaster and Mrs. Thomas D. Bowers will attend.

THE question which should appeal to the voters in the coming election is which of the two parties has accomplished the greatest good to the people of the State, the Democratic party or the Republican party? We are just finishing four years of Republican administration which can be judged not by the character of the legislation enacted by the last Legislature which was Democratic, but by the work of the appointees of Governor Goldsborough, notable among whom are our justices of the peace. So far as Kent county is concerned we believe the Democratic administration has been wise and economical, in so far as the Board of County Commissioners were able to make it, and we believe it would be greatly to the moral and financial welfare of the county for the Democrats to be continued in power. So be sure to vote for the entire local Democratic ticket.

Kent's Registered Vote.

The total registered vote in Kent county according to the figures of the recent registration is as follows:

Corn Shrinkage.

The corn estimate contest, which Mr. P. M. Brooks, proprietor of Radcliff Mills, has been advertising in the county papers, seems to have created considerable interest. He has received estimates from Queen Anne and all over Kent, and also as far as Baltimore.

He would be greatly pleased if more of the farmers would figure on this shrinkage and let him have their estimates within the next week or 10 days, as he hopes to shell this corn within the next 10 days or 2 weeks.

The results of this test will be published for the benefit of those storing cob corn.
