Do You Practice Dress Economy?

Did you ever try a made-to-measure suit, costing say—$15, $18 or $20?

We have values at $25, $30 and $35, but we want to call your attention to the fine qualities, the splendid tailoring and the exceptional values in our Suits and Overcoats at these economical prices.

You will be pleased, for price economy, plus everthing a man wants in clothes—style, tailoring and quality. We would like you to come see what we offer at $15, $18 and $20.

Respectfully,

W. E. MOODY,
Representing the International Tailoring Co.
MADE-TO-MEASURE CLOTHES for Men and Youths
Office Under Voshell House—Next to Robert McWhorter's
CHESTERTOWN, MARYLAND.

How Much Will Cob Corn Shrink?

ONE BARREL OF ROSE BUD FLOUR

To the person guessing nearest to the number of bushels of corn that will be shelled from a bin filled under the following conditions:

Cribbed Nov. 4, 1914.
White Corn, fair conditions.
Weighed in 517 bu. (at 70 lbs. per bu.)
Outside dimensions 8 ft. wide, 16 ft. long, 9 ft. to the square.
Crib wired to keep out rats and mice.
Corn to be shelled in the next few weeks. Call at the mill and look it over. Your guess is as good as the other fellow's to win a barrel of Rose Bud.

P. M. BROOKS,
RADCLIFFE MILLS,
PHONE 81-J. CHESTERTOWN, MD.

GASOLINE ENGINES!

As Agriculture approaches nearer and nearer to a real business, and it is doing that very thing to-day, the proper equipment for the farm takes on added interest. Success in farming today depends upon maxium productian of quality products. Attainment of this result is absolutely impossible unless the farm equipment is up-to-date.

The really significant feature of power farming is that the application of power to the farm makes for advancement in methods. The Gasoline Engine is an innovation which opens up new vistas and avenues of thought, it starts the mind to running into new channels, it is a mental and a physical stimulus to the farmer.

Some of the many uses to which the engine may be put are:—First of all the WATER SUPPLY and this can be as elaborate as the desires of the pocket book may determine. Then there is the Cream Seperator, Power Churn, Power Butter Worker, Ice Cream Freezer, Pump, Emery Wheel, Grindstone, Sausage Grinder, Wood Saw, Feed Mill, Corn Sheller, and the last thing we will mention here is something that is now possible on every farm—AN ELECTRIC LIGHT PLANT—that will furnish light for the house and all buildings.

Our 1 H. P. Engine will do the pumping and other light work, and we sell it for the remarkably low price of $36, and it runs on either gasoline or kerosene and is guaranteed for 12 months.

For more details about any of these things write or call and we will be glad to give you any information at our command.

Yours to serve,
Davis & Satterfield,
Cross Street, near Depot,
