Foot Ball Notes.

The chief event of the season in the foot-ball world will be staged on Washington Field this afternoon, when St. John's and Washington elevens will battle for supremacy. This game is always attended by a big crowd, and this year greater preparations are being made than ever, and the crowd is expected to be a record one.

Washington College was defeated by the Maryland Aggies at College Park last Saturday by the score of 28 to 13. This is practically the same score by which the Aggies defeated St. John's some weeks ago, and the game between Washington and St. John's this afternoon here should be a fine one. Quite a number of rooters attended the game at College Park.

Wait Paint

There are painters and waiters. Which am I going to do? Paint or wait?

Which is better.

How much am I worth with my property waiting? How much if I paint? Will my house be worth more or less if I paint?

Say it costs $2 a gallon Devoe—I wouldn't paint any other—and $3 or $4 more for putting it on. That's $50 or $60 a 10-gallon job.

The money is gone. Is it in the house? Is it all in the house?

Suppose I were selling; what should I get for that house fresh-painted and what should I get for it needing-paint? I wonder why men paint before selling!

DEVOE

Charles P. Jones, Millington, sells it.
