BALTIMORE'S BEST STORE

*Hochschild, Kohn & Co.*

Howard and Lexington Streets

**Baltimore's Best Store Offers Absolute Security with Every Purchase**

Whatever you buy at Baltimore's Best Store is returnable, within reasonable time, for refund or exchange, if you are not entirely satisfied with it.

This is not new. It was part of our policy when this store opened, nearly eighteen years ago, and it has been carried into effect every business day ever since.

It is this which makes this store an especially pleasant place to deal with by mail. With the best intentions in the world, you may order something and find that it is not what you want, or we may send you something which, upon examination, you find is not fully satisfactory. It is good to know that you are dealing with a store that "money-backs" its goods without question or argument.

# HONEST VALUES

---AT---

# Kilbourn, Bramble & Noland's

IF YOU READ THE PAPERS CAREFULLY you may have concluded that this store is somewhat remiss in its duty in having nothing to sell at less than its worth. Much as we regret that we have to ask $5 for $5 articles, and so on up to $10 and $15 for $10 and $15 articles, we're consoled by the knowledge that no other store gives so much value for the money as we do, and we have the further satisfaction of doing a STRAIGHT business with STRAIGHT goods at STRAIGHT prices.

Any man who wants good goods and his money's worth can come here and choose from the largest stock and widest variety in the county—every article here is high-grade and fully guaranteed.

Step in to-day or any day and see the goods that we are selling. Compare them with the "cut rate" offerings you see advertised. If you don't find better articles here for less money than elsewhere, then we won't expect your trade.

Furthermore, we accord the same service and attention to your "phone" orders, or your servants or children as we do to you in person. We seek the reputation of being the dependable store. Won't you let us "show you?"

## A CHANCE FOR INVESTORS

### A New Cat and Rat Industry Which Promises Fat Financial Returns.

A well-known financier in Chestertown received the following letter from a prominent New York promoter the other day, a reply to which is appended:

New York City, Oct. 26, 1915.

MR. [illegible]
Chestertown, Md.

DEAR SIR:

Knowing that you were always interested in a good clean money making proposition, I take the liberty of presenting to you for your careful consideration what seems to me to offer wonderful money making possibilities, and in case you are not personally interested, I would like for you to take up the matter with some of your friends and capitalists.

We have organized a company under the laws of the State of Texas to operate a large cat ranch on Cat Island.

To start with, we will collect, say about one hundred thousand cats. Each cat will average twelve kittens a year. The skins run from 10 cents each for the white cat to 75 cents for the pure black. This will give us twelve million skins a year to sell at an average of 30 cents a piece, making our revenue about $10,000, a day.

A man can skin 50 cats a day at $2.00; it will take 100 to operate the ranch and, therefore, the net profit will be about $9,800.00 daily.

We will feed the cats on rats and will start a rat ranch next door. The rats multiply four times as fast as the cats. If we start with one million rats we will have, therefore, four rats per day for each cat, which is plenty. We will then feed the rats on the carcasses of the cats from which the skins have been taken, giving each rat a fourth of a cat.

You will observe that one source of revenue has been apparently overlooked, that is the dispositions of the skins of the rats. We have under headway negotions with one of the warring nations of the world to supply all of these rat skins for sausage casings. They are particularly well-adapted for this use where sausages are supplied to the soldiers in the trenches during the winter months, as the hair can be left on the skins, keeping the contents warm.

The proposition has been passed on favorably by [illegible] War Council. Consider the [illegible] for the future the development [illegible] undertaking [illegible] business [illegible] matic [illegible] will [illegible] the [illegible] th[illegible]

THE REPLY:

Chestertown, Md., Nov. 8th, 1915.

WE SKINNUM & CO.,
New York, N. Y.

GENTLEMEN:

Your money making proposition as set out in yours of the 26th of October, is received and in reply beg to state that whereas it looks very much like a SKIN game, it will certainly be a CATastrophe if it should fall through. In our opinion it is a RATling good thing. Send us your prospectus. We can send you any number of skinners. We certainly wish you all success in the new venture, &c.

Sincerely yours,
