MR. HARRINGTON'S OPPORTUNITY.

Governor-elect Emerson C. Harrington has a great opportunity to redeem the Democratic party and make it the dominant party in the State for years to come. But he will never succeed in the undertaking unless he cuts himself loose from the past alliances which have brought the party into disrepute. The people of the State have elected Mr. Harrington Governor, not because of their love for those leaders who have been responsible for past deeds, but simply because they have taken Mr. Harrington at his word, and believe that he is big enough and bold enough to redeem his campaign promises, and to cut loose from the bosses and become a second Austin L. Crothers. If Mr. Harrington will do this his political future is bright. He is a young man full of intelligence and shrewd in the game of politics, and if he administers the affairs of the State in the interest of *all* the people, he is destined to become a great factor in his party. We sincerely trust that Mr. Harrington will rise to his great opportunity and see to it in the outset of his administration that there is no semblance of subservience to the old crowd, by allowing it to dictate the presiding officers of the coming Legislature.

Maryland Week.

Maryland week at the Fifth Regiment Armory, Baltimore, during the week has attracted great crowds from all parts of Maryland as well as many from other states, and never before in the history of the state has such an education been provided for agriculturists, dairymen, floriculturists and everybody else, as everything raisee on the farm, in the is shown in the magnificent exhibition of water in the orchard and hothouse. Cows were there to show the improved method of milking, plots of ground were there to show the method of cultivating hillsides and valleys, as well as proper treatment of soils, and the exhibits of fruits and flowers were simply gorgeous.

The chrysanthemums shown would have made our Chestertown growers turn green with envy. Some of them were so large that, if extended, they would fill the space of a water bucket, while no one dreamed that such fruit could be raised in Maryland.

The county and grange exhibits were also creditable. Queen Annes county carried off several valuable prizes in the corn and wheat contest—Mr. Josiah Massey, Mr. Potts and Mr. J. T. Anthony holding up the honor and dignity of the county in fine style. It is greatly to be regretted that Kent county was not represented in the exhibits. Mr. Walter B. Harris had a most creditable display of apples, and was among the best prize winners, but Kent should have been represented in many other exhibits. The week was a huge success, and marks an educational epoch in the agricultural history of the State. The next stop for the farmers and grangers will be Salisbury, December 7 to 9.
