Cohen's is the Place to Deal

If you want your dollar to go twice as far as anywhere else.

We are selling all of their goods at half price—the same goods you pay $1 elsewhere, you get here for 50c, or $10 elsewere, you get here for $5. What better fact do you want than this to prove that your dollar will double itself here on our "cut rate" prices?

Judge Hopper on Auto Speeding.

Judge Philemon B. Hopper, of the Queen Anne's Circuit Court, spoke at length and from experience of automobile speeding in his charge to the Grand Jury at the November session of the court as follows:

"I want you to consider and to recommend some way to safeguard the use of the highways. No one is safe upon them. Everyone who goes upon them takes his life in his hands, and some way must be found to protect the public in its rights to use them. These speed fiends and road hogs consider the rights and safety of no one. A few nights ago, when the street lights were temporarily shut off, I walked to the post-office for my mail. On my way I was overtaken and passed by three automobiles running toward the center of the town at a rate of speed that I believe was not less than 20 miles an hour. The street was full of young people and small children celebrating Halloween in the customary way. . . . . The cars occupied practically the whole street bed and rushed toward the crowds without decreasing their speed apparently. . . . On my way to court at Chestertown last Monday week I passed two buggies wrecked by automobiles. . . . On my ride home the following Saturday I passed another buggy that had been wrecked by such a collision. . . . If prudent drivers of autocars and other travelers are not to be driven from the highways by the lawless it is the duty of every law-abiding and careful man who uses the highways to report every violation of these rules that he sees. . . . And gentlemen of the jury, if you in your present office can find and recommend a practical and sure means of bringing these foolhardy malefactors to punishment you will render the public an inestimable service."

Unceasing Misery

Some Chestertown Kidney Sufferers Get Little Rest or Comfort

There is little sleep, little rest, little peace for many a sufferer for kidney trouble. Life is one continual round of pain. You can't rest at night when there's kidney backache. You suffer twinges and "stabs" of pain, annoying urinary disorders, lameness and nervousness. You can't be comfortable at work with darting pains and blinding dizzy spells. Neglect these ailments and serious troubles may follow. Begin using Doan's Kidney Pills at the first sign of disorder. Thousands have testified to their merit.

Proof in Chestertown testimony:

John M. South, photographer, Cross street near R. R. Station, Chestertown, says: "I suffered a great deal from my back and kidneys. The passages of the kidney secretions were irregular and I had pains through my sides and back. I got Doan's Kidney Pills at Toulson's Drug Store and they gave me relief."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan't Kidney Pills—the same that Mr. South had. Foster-Milburn Co., Props., Buffalo, N. Y.
