Why You Need Telephone Service

You need telephone service for exactly the same things for which hundreds of people whom you know personally use telephone service in their homes daily.

You need it to get in immediate touch with the doctor when sickness comes, to converse with friends everywhere, for business purposes, for making purchases, for getting information, for receiving good news.

Our local manager can give you additional reasons. Ask him.

Chairman Morris may be correct in his deductions. The Massachusetts Progressives parctically dropped out of the election in that State this year, but it is evident that all of them did not return to the Republican party. And if many Progressives went over to the Democrats in that State, why not in other States?

Resolutions to Town Council of Rock Hall.

MAYOR AND TOWN COUNCIL,
Rock Hall, Md.

GENTLEMEN:

I beg leave to submit to you a resolution passed by the Rock Hall Driving and Improvement Association at its meeting of November 10th, 1915:

RESOLUTION.

In as much that the roads of Rock Hall d... ing wet weather are in a very unsatisfactory c... dition, and in consideration of the fact that this condition is to a great extent due, and very much aggravated by the methods adopted in cleaning out the gutters—placing the dirt removed along the sides instead of in the middle.

We, the members of the Rock Hall Driving and Improvement Association, having the interests of the community at large to heart, do hereby resolve:

(1). That this condition be respectfully called to the attention of the Town Council by letter from our secretary with a request that all future dirt removed from the gutters be deposited in the center of the road so as to leave the edges lower and clear from obstruccction, thereby facilitating free drainage.

(2). That we respectfully urge the Town Council to use every effort to shell a width of at least 6 feet in the centre of all roads within the town limits or as large a portion thereof as the funds at their disposal permit.

(3). That we respectfully urge the Town Council to make every endeavor to keep all roads crowned to the centre to at least a 1 in. 20 radius.

(4). That this resolution as a whole be entered in the minutes of this association and be given all the publicity possible.

Respectfully submitted for your consideration November 10th, 1915.
