CORN SHELLERS.
Our No. 7½ Sheller with roller bearings is the easiest running sheller on the market, and we are selling them on account of an early buy at only a little advance over last year's prices.
We have a good two-hole sheller with fly wheel starter and belt wheel, can be used for hand or power at only $14. It is a good sheller, and is a bargain at the low price we make on it.

3 H. P. "I. H. C." ENGINES
As you are aware, everything in iron and steel is advancing rapidly, causing all manufacturers to advance prices We made a contract some time ago for a few of these engines, and we are offering them on the basis of the old prices. The 3-Horse Power International is so well-known that it needs no recommendation from us. It has made its own reputation by its good works. We would advise an early action on these as there are only a few of them to be had at the price we offer them.

ROOFING
We have a liberal stock of Corrugated Iron Roofing and the price is probably lower than you would think.
Rubber Roofing, too, is here at most any price you may wish, from 85c roll up, according to weight and quality.

Yours to serve,
Davis & Satterfield,
Cross Street, near Depot,
Chestertown, - Maryland.

Tea and Coffee
If you like Iced Tea, and like it good, or a good cup of Coffee, try Bacchus' High-grade Teas and Coffees.

A Musical Treat.

Lovers of fine music were given a treat on Monday evening that will linger long in their memories. Miss Gertrude Rennyson, dramatic soprano, of Boston, gave a recital in the Lyceum Theatre before a representative audience from various sections of the county. Miss Rennyson is beyond question the finest singer who has appeared before a Chestertown audience for many years. She possesses a voice of wonderful power and sweetness under perfect control. Her numbers showed the high degree of her classical education and her grace of manner and power of interpretation are so manifest that she is beyond question to be classed with the great opera stars of this country. In fact Miss Rennyson has been associated with Nordica and other great singers who have been impressed with her wonderful talents and have used her on various occasions. The recital was decidedly the best and most classica that has been rendered in Chestertown and our people are extremely fortunate in having the very great pleasure of hearing a singer of such prominence in the musical world as is Miss Rennyson.

She is a friend of Mrs. Thomas W. Perkins, and the Misses Toulson, who are to be thanked largely with manager L. Bates Russell in securing Miss Rennyson for one evening. Miss Mable Toulson proved herself an accompanist of much merit, and her interpretation of the musical scores were of great assistance to Miss Rennyson in her singing.

Foot-Ball Notes.

The climax of the foot-ball season was reached last Saturday, when all the big squads of the country contested for the 1916 championship. The scores were as follows:

Army 15, Navy 7, played on Polo Grounds, in New York.

Yale 6, Harvard 3, played on Yale Bowl, New Haven, before 80,000 spectators. It was the first win for Yale over Harvard since 1909.

St. Johns 6, Johns Hopkins 3, played at Homewood, Baltimore. Carey Jarman, of Chestertown, was the hero of the day, securing the only touchdown for St. Johns.

Western Maryland College 9, Washington 6, played on Washington field. This was the best game of the season played here. Washington clearly outplayed the visitors and should have won. An unfortunate attempt at a forward pass instead of a line plunge when Washington was within five yards of the visitors goal line saved Western Maryland from a good beating.

Grange Notes.

The Still Pond Grange will entertain at supper this afternoon at 5 30 all the boys of the Still Pond and Betterton district of the Corn Club and all the girls of the same district who competed in the contest this fall at the Galena preliminary to the Horticultural show in Baltimore. The parents of the boys and girls will also be entertained. At a meeting last spring the Still Pond Grange offered a five dollar gold piece to the boy making the highest average in the corn contest in this district. This will be presented to Thomas Bonwill, who also won second prize in the State. The girls were given a sum of money in the spring to help carry on their work instead of being presented with a prize. After the supper an open lecture hour will be held.
