RED CROSS DRIVE

The Red Cross Drive, which is launched this morning in Kent, should have the assistance of every citizen of this county. Those having sons, and those having husbands, and those having neither, in the army, should join hands to give to the soldiers the best comforts possible. The move has the endorsement of President Wilson in the following words:

"To The People of the United States:

"Ten million Americans are invited to join the American Red Cross during the week ending Christmas eve. The times require that every branch of our great national effort shall be loyally upheld and it is peculiarly fitting that at Christmas season the Red Cross should be the branch through which your willingness to help is expressed.

"You should join the American Red Cross because it alone can carry the pledges of Christmas good will to those who are bearing for us the real burdens of the world war both in our Army and Navy and in the nations upon whose territory the issues of the world war are being fought out Your evidence of faith in this work is necessary for their heartening and cheer.

"You should join the Red Cross because this arm of the national service is steadfastly and efficiently maintaining the overseas relief in every suffering land, administering our millions wisely and well and awakening the gratitude of every people. Our conscience will not let us enjoy the Christmas season if this pledge of support to our cause and the world's weal is left unfulfilled. Red Cross membership is the Christmas spirit in terms of action.

"WOODROW WILSON,
"President of the Amer Red Cross."
