Get Your Boat License.—All motorboats in Kent County waters will be required to have Federal license numbers under the terms of a law just signed by President Wilson. Secretary Redfield has promulgated regulations for the issuance of licenses. No fee will be charged, the law being intended primarily as a police measure and requiring the number to be placed conspicuously so that officers enforcing the navigation laws may easily see it.

Enemy Alien Routed.—Because he made himself thoroughly obnoxious in many ways to the citizens of Wye Mills and vicinity, Philip Hecht, an enemy-alien, hailing from Baltimore, but residing with his wife's parents, Mr. and Mrs. James E. Godwin, since last fall, was ordered last week by a dozen or more of the most prominent residents of that section to take the train the next morning for Baltimore. He went.

An Interesting Relic

We are in receipt of a ticket of admittance to the U. S. Senate gallery dated April 24, 1868. The ticket was sent to us by Rev. S. S. Hepburn, who at that time was a student at the Alexandria, Va., Theological Seminary. In sending us the ticket Mr. Hepburn writes:

"Looking over some old papers I came cross the enclosed ticket admitting me to the impeachment trial of President Johnson. The Rev. T. Wroth and I were at the time students at the Alexandria, Va., Theological Seminary. I wrote to the Hon. George Vickers for a ticket and he sent me this, which we both used on alternate days. I saw some notable characters of that day, "Beast" Butler among them."

America's Big Army

Three million Americans will be under arms by next August 1, the Senate Military Committee was told Saturday by Provost Marshal-General Crowder.

General Crowder said that 1,347,000 of the 2,428,000 men placed in Class 1 already have been called to the colors. He estimated that some 400,000 additional men for the first class will be secured from the men who registered last June 5 and that another 200,000 will be added by the reclassification of men in the re-examination of the questionnaires now being made.

Extension of the age limits in the army draft will be necessary, General Crowder said, if the present rate of draft call is continued. He estimated that all the men in Class 1 would be exhausted soon after next January 1.

WEDDINGS

One of the most beautiful weddings of the year took place in Christ Methodist Protestant Church on Thursday evening at 7.30 when Miss Helen Tabitha Russell, one of the most accomplished and charming young ladies of Chestertown and one of the youngest daughters of Mr. and Mrs. William F. Russell, became the bride of Mr. Geo. Pendrey Chandler, a popular young man of Salisbury, Maryland.

The church was beautifully trimmed for the occasion with cut flowers and potted plants. The bride entered on the arm of her father, attended by Miss Louise Russell, her twin sister, as maid of honor. Mr. Chandler was accompanied by Mr. Harry Adkins, of Salisbury, who acted as best man. Rev. J. L. Ward, pastor of the church, performed the ceremony. Messrs. Joseph Wheatley and Raymond Simpers, of Chestertown, and Messrs. Ralph Dykes, of Salisbury, and Harry Jones, of Quantico, Md., acted as ushers.

The bride looked splendid in a dress of white georgette and carried ophelia roses with larkspur, while her sister, Miss Louise Russell, as maid of honor, was equally attractive in a dress of pink georgette and carried white roses and sweet peas. The groom and best man wore the conventional black.

After the wedding a reception was given at the home of the bride's parents, from 10 to 11, at the conclusion of which the happy young couple left by auto for Elkton, where they took a north-bound train for a honeymoon trip to Niagara and the Catskill Mountains. Upon their return they will reside in Salisbury, where the groom has been employed in a responsible capacity with the Adkins Lumber Company for about twelve years.

The many friends of the popular couple here and in Salisbury wish them a happy journey over the matrimonial sea.

DEATHS

Kent County lost one of its best and most highest respected citizens when on Saturday morning at 3.45 Mr. Anthony H. Johnson departed this life. He had been in failing health for some time and has been confined to his room for the last six weeks. His death, while expected, was a great shock to his family and friends.

He was a kind and loving husband and father, and was loved by all who knew him. He was the eldest son of the late Richard C. and Agnes Johnson and was born Sept 4, 1857, near Massey. He was graduated from Rock Hill College in 1876 after which he commenced a most successful farming career. He was married to Miss Laura B. Wootters May 30, 1882. He has resided for the last 36 years on his farm near Sassafras, Md. He is survived by his wife and four children, Mrs. Frank Huey, R. Bradford, H. Clayton and B. Allen Johnson.

Funeral services were held from St. Dennis Catholic Church, interment in Galena Cemetery on Tuesday, June 18, at 10.30 a. m.

After a long illness, which he bore with great courage, Nathaniel T. Hynson, son of the late Nathaniel T. and Anna Medford Hynson, died at his residence in Washington, D. C., on April 14, in the 70th year of his age. Besides a widow, Mr. Hynson leaves three sons, Dr. Laurence Maxwell Hynson, Mr. N. Thornton Hynson and Richard W. Hynson. Although living in Washington for thirty years, Mr. Hynson was ever loyal to his native state and interested in its welfare.

—AT—

Mr. John Clarence Coleman, formerly of this town, but recently of Chester, Pa., died at a hospital near Harrisburg, Pa., recently. He was the son of Mr. James Coleman and leaves behind him two little girls besides a sister, Mrs. Harvey Boggs, of Wilmington, and a brother, Mr. Marion Coleman, of Rock Hall. His remains will be brought to Chestertown on the train today.

Charles B. Finley, president of the Elkton National Bank and well known in church circles in Cecil county, died suddenly Monday morning from heart trouble.

Small Crowd at Matinee

Less than three hundred paid admission to the Red Cross matinee at Radcliffe Park last Saturday. Some spirited racing was witnessed, however, by the small crowd.

The Shetland pony netted the Red Cross $140. Mr. H. E. Wilson, of Barclay, won the pony. He gave it back to the Red Cross and it was knocked down to Mr. Andrew Wilson, Georgetown, for $30.

The racing resulted as follows:

When Is A "First Child" Not A "First Child"?

When is a "first child" not a "first child"? This is the question that has been causing Sergeant R. R. Mergenthal, of the Stockton, Cal., U. S. Marine Corps recruiting station, to spend sleepless nights lately.

George Hadley, of Kansas City, applied to Mergenthal for enlistment. When Hadley informed him that he was married and had two children, Mergenthal told him that he would draw $32.50 for a family allotment, namely $15 for his wife, $10 for his 1st child and $7.50 for his second child. But Hadley insisted on $35.

"How do you figure that?" querried Mergenthal.

"Well, my youngsters are twins, so how are you going to figure the first child? They both come under the $10 head," answered Hadley.

"I give up," declared Mergenthal, after puzzling over it for a few hours. The delicate question has been put up to the authorities at Washington.

Colored Draftees Given Big Send-off

Kent county sent forty-three of its colored men to Camp Meade on Wednesday morning to help fill Freedom's army in its fight for civilization. Last week we published the names of these men. Parker Mays, the big hauler of Chestertown, was made captain of the men on the trip from here to Camp Meade. The Red Cross of Kent equipped the men with the things necessary for camp life.

On Tuesday afternoon these men were given a send-off that excelled anything so far given to the drafted men of Kent county. At 3.30 the drafted men were gathered in front of the Court House and were instructed as to their duties by Sydney P. Townshend, Esq., a member of the local Draft Board, who introduced Ex-Judge J. A. Pearce, who delivered a short speech to them of encouragement and advice.

Following his speech, Rev. C. B. Bailey, pastor of Bethel A. M. E. Church, Chestertown; Rev. R. W. Davis, of Worton; and Rev. M. C. Bowland, of Coleman's (all colored) inspired their hearers with patriotic addresses and words of advice.

After the speaking, a big parade marched around town, accompanied by a band. Boys and girls dressed in white, some carrying flags; elder women dressed in Red Cross regalia; veterans in decorated teams—accompanied by the draftees—made the parade one that was impressive and appropriate. One of the features of the parade was a big placard carried by one of the men bearing the inscription "We Will Get The Kaiser."

"A DAUGHTER OF THE GODS" TO BE SHOWN AT LYCEUM

"A Daughter of the God's descended upon this city last night and registered on the screen at the Lyric theater, where she can be seen twice daily, including Sundays, for a long time to come. It cannot be said that the arrival of this new Annette Kellermann picture was unheralded. For months bales of copy describing the wonders of this William Fox Film have been sent broadcast. Fortunately, this fantastic photoplay measured up to expectations, and no one of last night's spectators was disappointed.

The sea scenes, with mermaids swimming about, are among the most beautiful spots in the picture. The Jamaican scenery forms an admirable background for the fantasy.

The less clothes Annette Kellermann wears the more attractive she is. In this picture she is the most attractive she has ever been. She poses as a slave girl, dances, dives from high places, wims bound hand and foot, braves rapids and allows herself to be buffeted about in a heavy sea.

"A Daughter of the Gods" is the last word in fantastic fairy photoplay. It should run at the Lyric for months. —New York Sun.

This great picture will be shown at the Lyceum Theatre, Chestertown, next Friday and Saturday, June 28 and 29. Don't miss it.
