THE Food Administration has issued an order by which only three pounds of sugar can be consumed by any one individual in one month. Every purchaser of sugar for domestic use, except for canning or preserving, is required to sign a pledge card that they will not purchase over the three pounds a month. The order goes into effect July 1.

THE killing of young James E. Caldwell in action on the battle front in France on the 7th of June brings home to our citizens what must eventually happen to more of our Kent Co. boys who are doing our fighting in France. To the parents of this young hero we extend sympathy and hope they may find consolation in the fact that their boy died in defense of his country.

IN the death of Mr. A. F. Huey Kent county has lost one of its best citizens and one of its most progressive and enterprising business men. A man of large business capacity, whose kind impulses and generous heart won the admiration of a large circle of friends, many of whom frequently sought his advice in business matters and his financial aid in time of need. We have heard of many kind deeds done by him. Personally we were very fond of Mr. Huey and will miss his occasional visits to our office and his genial and cordial greeting wherever we met him. To his daughter we extend sympathy.

The pastor and members of Wesley Chapel desire to thank everyone who assisted in their recent supper and festival. All who were called upon responded to the call. People came from all directions and enjoyed their supper under the oaks by Wesley Chapel. As the twilight came and darkness was about to set in, all wondered how we would light up the lawn. Mr. H. E. Wood, the Delco man, arrived before sunset and in a few minutes had wires and bulbs strung across the lawn and before darkness came he secured one quart of coal oil and with that quart he furnished light through the Delco system until late in the night. Thank you, Mr. Wood, we can highly recommend your lighting system. As the result of the kindness of everyone over $140 was cleared.—Rev. A. F. T. Raum pastor.

Each district in the Southern M. E. Church will now send eight laymen as delegates to the Annual Conference instead of four. This gives every district a larger representation in the Annual Conferences which is a measure many conferences have long wished for.

The M. E. Church, in a world-wide campaign to be conducted some time within the next year, will seek to secure pledges for $80,000,000 for home and foreign mission work, according to plans outlined by 400 district superintendents and other officials of the church in session recently. Ten days will be set aside in which to raise the fund.

W. C. T. U. Convention

A most interesting and instructive annual convention of the W. C. T. U. was held at the M. E. Church, Chestertown, on Thursday morning of this week. The meeting was called at 10.30 and after a devotional service, led by Mrs. Mary R. Haslup, State President of Md. W. C. T. U., the remainder of the morning session was taken up with reports and election of officers for the ensuing year. In the afternoon the devotional service was led by Mrs. Tilghman Hudson and then Mrs. Haslup gave an interesting talk on "The Year's High Lights in State and National Progress, followed by ministers of the county. At 3.30, Children's hour, there was a demonstration by the Loyal Temperance Legions of Kennedyville, Worton, Rock Hall and Chestertown led by Mrs. Claude Parks, followed by a talk by Miss Carrie A. Green, State Secretary. In the evening there was an address given by Mrs .Addie B. Parsels, vice-president of Pennsylvania W. C. T. U., which was most inspiring. ORDER OF PUBLICATION

In the Circuit Court for Kent County.
In Equity No. 2042.

Bessie May Lambert
vs.
Thomas Clarence Lambert.

The object of the Bill filed in the above entitled case is to procure a Divorce, "a vinculo matrimonii," for the Plaintiff, a resident of Kent county Maryland, from the defendant. The Bill states:

1. That on the 7th day of October, 1902, she was married unto Thomas Clarence Lambert, with whom she resided in Kent County, in the State of Maryland, until about the 8th day of July, 1914.

2. That the conduct of your Oratrix towards her husband, the said Thomas Clarence Lambert had always been kind, affectionate and above reproach; the said Thomas Clarence Lambert has, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years and is deliberate and final, and the separation of the parties is beyond any reasonable expectation of reconciliation. Your Oratrix does not know her husband's whereabouts but when she last heard from him he was said to be in the State of New Jersey.

3. That your Oratrix and the said Thomas Clarence Lambert have three children born to them from said marriage, the eldest of whom is a girl, and her said husband since he deserted your Oratrix has never seen her nor his children and has contributed only $30 towards the support of his children, but has never contributed to her or their support during the last three years or longer.

It is thereupon this 28th day of June A. D. 1918 Ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 29th day of July next, giving notice to the said Thomas Clarence Lambert, non-resident defendant, warning him to appear in this Court, in person, or by solicitor, on or before the 15th day of August next to show cause, if any he has, why a decree ought not to be passed as prayed.
