LOCAL MATTERS

Letters Uncalled For.—The following letters are in the Chestertown postoffice, awaiting the coming of their owner: William T. Adams; W. D. Gray; Horace Jones, James Edward Johnson, Miss L. Mann.

Game Warden For This Section.—State Game Warden E. Lee LeCompte has submitted his list of names for Deputy Game Wardens in the eight districts of Maryland. John Anderson, of Cecilton, Cecil county, has been appointed game warden for the district embracing Cecil, Kent and Queen Annes counties. He will take up his duties July 15.

Left Hand Injured.—Mr. Lee Robinson, son of Mr. and Mrs. Edward Robinson, of Chestertown, had his left hand badly injured at the shipbuilding plant of Harlan & Hollingsworth, Wilmington, last Monday. Mr. Robinson will lose his little finger, while one finger is broken and the palm of his hand badly cut. Mr. Robinson has not come home, as it was expected, but stayed in the city for treatment.

Another Kent Man Doing His Bit.—Mr. Julian R. Carter, of Chestertown, a brother of Sheriff George Carter, is another Kent county young man who is doing his part to help beat the Kaiser. Mr. Carter expects to go to France in a short time. He served in the U. S. Army during the trouble with Mexico and saw service on the border for eight months. Mr. Carter is now a sergeant.

Killed Twenty-Two Young Turkeys.—A worthless dog killed twenty-two young turkeys belonging to Miss Belle Emory, of near Chestertown, the other night. The turkeys weighed nearly 2 lbs. each and were considered out of danger, so far as raising them went. The dog forced his way into the coop where the turkeys were confined. This is quite a loss to Miss Emory.

New Liberty Bond Issues.—Additional authorization for Liberty Bond issues will be asked soon of Congress by the Treasury to provide for the fourth Liberty Loan which will be for at least $6,000,000,000. Only $4,000,000,000 of authorized bonds remain unissued and the Treasury probably will ask Congress to provide for four billion more, to permit an even larger issue than six billions if this should be found necessary.

115th Infantry In France.—The 115th Infantry, which contains many Kent County Boys, and which has been in training at Anniston, Ala., for nearly a year, has arrived safely in France. This country—keeping up with its past history in other things—has sent a million men to France and the under-sea assassins have been able to sink but one troop ship, and that near the coast, the casualities being very few.

To Attend Summer School.—The following teachers of Kent county and graduates of the Chestertown High School will attend Summer School at the State Normal School, Baltimore, which opened Monday, June 24, and at Johns Hopkins University, Baltimore, which opens July 5: Misses Helen Baxter, Mary Crew, Rebecca Davis, Mamie Donahoe, Catherine Gilpin, Margaret Harris, Blanche Huhn, Maude Middleton, Anna Radnor, Maude Robinson, Helen Stradley, Mary O. Wilkins, Mary Willis, Cynthia Clendaniel, Mary Moore, Dorothy Dill.

Resignations At School.—The following resignations have been received by the Board of Education of Kent county: Mr. Thos. F. Hubbard, Manual Training Teacher at Rock Hall; Miss Sue W. Dunbracco from the Chestertown Elementary School; Miss Barbara T. Willis from the Chestertown High School. Miss Blanche Scotten from Galena School; Miss Helen T. Russell from Worton; Miss Araminta Brinsfield, assistant principal at Rock Hall High School, has been granted a year's leave of absence. Miss Brinsfield will take a course at Johns Hopkins.

Prof. Robinson Resigns.—Prof. L. C. Robinson will resign as supervisor of schools for Kent County, his resignation to take effect the last of July. He has accepted a position as actuary of the Franklin Institute of Pennsylvania and director of the School of Mechanic Arts. He will be greatly missed in the schools of this county.

Chestertown Gentleman Active In Camp Work.—Mr. W. Raymond Moody has been detailed as organizer for the State of Maryland for the War and Navy Departments, Commission on Training Camp Activities. Mr. Moody made several attempts to enlist, in both army and navy, at the beginning of the war, but his defective eyesight prevented him from doing so. Unable to engage in active service, Mr. Moody decided to enter the Government service in the above capacity, where he will, no doubt, do efficient work. He is stationed at the Naval Academy for the present.

Mr. Maddox Changes His Position.—The Snow Hill "Messenger" has the following to say of Mr. Frank E. Maddox, formerly cashier of the Peoples Bank of Chestertown: "Mr. Frank E. Maddox has resigned his position as cashier of the Deposit and Savings Bank of Snow Hill, to accept a more lucrative one with the Schmelz National Bank of Newport News, Va. Mr. Maddox became cashier of the Deposit and Savings Bank last year. He is a native of Worcester County, having been born and raised near Snow Hill. He has a large circle of friends, who will regret to learn of his departure. The resignation of Mr. Maddox takes effect June 30."

Horses Crash Into Team.—Mrs. J. B. Newnam, Jr., and her little daughter of a year and half were somewhat bruised on Thursday afternoon when a pair of horses, belonging to Mr. Harry Nicols, Jr., ran them down in Quaker Neck, near Chestertown. The horses were in the field, where hay was being loaded when they ran away, while Mrs. Newnam was returning by horse and carriage from a visit to her mother-in-law, Mrs. Jas. B. Newnam, and had several buckets of berries. The runaway horses, it is said, passed over Mrs. Newnam's team, hurting the occupants, but not nearly so bad as was first thought, because of the berries being smeared over them. The carriage of Mrs. Newnam was badly damaged.

DEATHS

The people of Kent county were shocked last Sunday to hear of the death at 10.30 a. m. of Mr. A. F. Huey, of Massey. While Mr. Huey had not been well for some time, his death was none the less a shock. He was in Baltimore last week attending the funeral of his brother-in-law, Mr. Geo. R. Cooper, and while there was taken sick, but came home Thursday, June 20. He gradually grew weaker until the end came Sunday morning while sitting in a chair in his home. His daughter, Miss Margaret, and brother, Mr. James A. Huey, were with him when the end came. Mr. Huey was one of Kent's most prominent and best business men and one of her best citizens. Besides conducting a large implement business at Massey he was a director of the Third National Bank of Chestertown in which capacity he has served for 24 years. Mr. Huey was a very charitable man and many have received substantial aid from him. Besides a large circle of friends he is survived by one daughter, Miss Margraet, one sister, Mrs. Geo. R. Cooper, of Baltimore, and two brothers, Messrs. James A. and Isaac W.

Mr. Huey spent his boyhood days in Pennsylvania, after which he went to Salisbury, Md., and was for a time in the employ of the Jacksons of that town. He came to Kent many years ago and for a time lived in Galena, but later went to Massey, where he spent the rest of his life. He was 69 years old. Funeral services were held Wednesday afternoon at the P. E. Chapel at Massey, conducted by Rev. Mr. Birnbach. The floral contributions were beautiful.

The pall bearers were: T. C. Roe, Carroll Clark, W. H. Cacy, W. B. Copper, Andrew Wilson Cockran, S. J. Johnson and M. P. Dunn. Interment was in Massey cemetery.

After an illness that had lasted for several years, which grew worse after an operation, and that has kept her confined to her bed for about six months, Mrs. Mary A. Anthony the beloved wife of Mr. James T. Anthony, died at her home in Chestertown Saturday night, aged 67 years. Besides her husband she is survived by seven children, viz: Randolph Anthony, of Ohio; Mrs. F. T. English, of New Jersey; Mrs. Clements Jester, of Virginia; Mrs. J. S. Kreeger, of Chestertown; Miss Estelle Anthony, of Washington; E. R. Anthony, of Queen Annes; and Townsend Anthony, of near Kennedyville. Funeral services were held on Tuesday afternoon, from her late residence, conducted by the Rev. T. F. Beauchamp; interment at Hillsboro, Caroline county. The pall bearers were her sons and sons-in-law. Undertaker W. T. Hicks had charge of funeral arrangements.

Mr. Bradford Camp, formerly a well-known resident of Broad Neck, this county, died last Sunday in Baltimore, aged 81 years. He leaves a widow and two daughters, Mrs. Carroll C. Ferkins and Mrs. Mary H. Duvall, all of Baltimore. His remains were brought to Kent via Tolchester on Tuesday and interred at St. Paul's after religious rites by the Rev. Dr. Dickerson. The pall-bearers were S. Scott Beck, Hynson Beck, Dr. Charles W. Whaland, John L. Deputy, Walter B. Strong and Thomas W. Trew. Undertaker C. L. Dodd had charge of the funeral arrangements.

Clarence Leigh Boone, the oldest son of Mr. and Mrs. John Boone, died at his home near Betterton on last Friday after a short illness of Bright's disease, aged 21 years and six months. He was loved and respected by all who knew him. His funeral was held at the Betterton M. E. Church on Sunday at 3 o'clock and a large concourse of friends and neighbors witnessed the high esteem in which he was held. The bearers were: Allen Robinson, William Owens, Edward Myers, William Smith, with interment at Still Pond cemetery. Undertaker Krusen had charge of funeral.

Mr. D. Arthur Bacchus, agent at the wharf of the M. D. V. Co., in Chestertown, received notice on Thursday of the death of Dr. Walton Danker, of Massachusetts, in France recently. Dr. Danker was a chaplain in the U. S. Army from the Episcopal clergy and was honored by the Republic of France by a cross for bravery. He was killed by a bomb. He is a relative of Mr. Bacchus by marriage.

Mr. and Mrs. George E. Chambers were called to Baltimore on Monday by the death of their son's wife, Mrs. Percy Chambers, who leaves a little daughter three weeks old. Mr. Chambers was in New York ready to sail overseas when he received the telegram telling of his wife's death.

Second Draft Lottery Held

Nearly 800,000 young men of 21 who registered for military service last June 5 had their order in the draft classes fixed on Thursday by a second national draft lottery with formal ceremony at the Senate Office Building.

Just 1,200 numbered slips rolled into capsules—enough to cover the list of new regiments in the largest local district in the country—were drawn from a big glass bowl and the numbers recorded in serial order. Under the law all the new registrants go at the bottom of the classes to which they may be assigned, and the order in which the number appearing on each man registration card came from the bowl determines his place in the list of additions.

The dramatic interest that attended the first drawing, which actually determined the original order of service of ten million registrants, was almost wholly lacking in Thursday's proceedings. Since men placed in Class 1 are certain to be called to the colors within a few months at most, the order in which new registrants are placed is relatively unimportant.
