Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

THE Fourth of July was observed in many of the large cities of this country by large parades and other patriotic demonstrations. The government requested that the 4th be observed as patriotic day and this request was carried out in many parts of the country. The day was observed in Kent in the usual way. The matinee at Radcliffe Park was largely attended, while large crowds gathered at Tolchester and Betterton, our two popular bayside resorts. No accidents, we are glad to say, have been reported and good order prevailed throughout the county.

At Private Sale

I will sell at private sale all that farm known as "The Wethered Turner's Creek Farm," lying in the Second Election District, on the waters of Turner's Creek and the Sassafras River. This farm contains about 300 acres of land, and is one of the most beautiful locations in Kent County. The water view from the dwelling is unsurpassed, broken by the hills of Kent and Cecil County, while the land is a medium loam and easily responds to cultivation and improvement. It yields fine crops of grass, hay, wheat, corn, tomatoes and asparagus, for which the soil is extremely well adapted. The frame dwelling is situated on a rolling eminence, enjoying a commanding sweep of the surrounding country.

The waters abound in fish and wild fowl. The farm shores are noted as being one of the best duck and gunning places in Kent County.

TERMS OF SALE.—$15,000, possession given Jan. 1st, 1919. The place is now occupied by Mr. Ralph W. Shallcross, who will take pleasure in showing it to any intending purchaser. One-half the purchase money may remain on the farm at 5 per cent for either 5 or 10 years at the option of the purchaser.

ORDER OF PUBLICATION

In the Circuit Court for Kent County.
In Equity No. 2042.

Bessie May Lambert
vs.
Thomas Clarence Lambert.

The object of the Bill filed in the above entitled case is to procure a Divorce, "a vinculo matrimonii," for the Plaintiff, a resident of Kent county Maryland, from the defendant. The Bill states:

1. That on the 7th day of October, 1902, she was married unto Thomas Clarence Lambert, with whom she resided in Kent County, in the State of Maryland, until about the 8th day of July, 1914.

2. That the conduct of your Oratrix towards her husband, the said Thomas Clarence Lambert had always been kind, affectionate and above reproach; the said Thomas Clarence Lambert has, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years and is deliberate and final, and the separation of the parties is beyond any reasonable expectation of reconciliation. Your Oratrix does not know her husband's whereabouts but when she last heard from him he was said to be in the State of New Jersey.

3. That your Oratrix and the said Thomas Clarence Lambert have three children born to them from said marriage, the eldest of whom is a girl, and her said husband since he deserted your Oratrix has never seen her nor his children and has contributed only $30 towards the support of his children, but has never contributed to her or their support during the last three years or longer.

It is thereupon this 28th day of June A. D. 1918 Ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 29th day of July next, giving notice to the said Thomas Clarence Lambert, non-resident defendant, warning him to appear in this Court, in person, or by solicitor, on or before the 15th day of August next to show cause, if any he has, why a decree ought not to be passed as prayed.

Make it a Record Breaker

THE great war has begun. American farmers are at work on the most important thing in America—the 1918 crop. In spite of the scarcity of labor and power, this crop must be a record breaker. How can its success be assured? By making every acre produce all it can—more than ever before. And that can be done only by proper fertilizing. You have, or can get, stable manue. You have power and help enough to spread that manure in a top dressing on every acre you plant. All you need now is a

Low 20th Century Manure Spreader

This is an easy running, light draft, wide spreading machine. It saves labor. It saves time. It saves fertilizer. It increases crop yields. With a 20th Century you can make every acre produce to its limit. Use it for top dressing. It spreads so wide that it dresses three rows of corn at once. It spreads evenly because it gives the manure a double beating, breaks it up into small pieces, and spreads it out beyond the rear wheel tracks. Three sizes—small, medium and large—all light draft machines with narrow boxes. The size you buy will do just the kind of spreading your soil needs to make it produce bumper crops. Telephone your order, or come in and get a 20th Century spreader. We can make immediate deliveries.
