BONES AND BAGS.

On account of the war many of our supplies of Bones have been cut off, and in order to get all the nice dry country bones possible, we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory.

The country boys should pick up all they can and bring them to us instead of selling them to the junk dealers.

We will also pay the highest market price for good second hand Fertilizer Bags. Please communicate with us.

Very truly yours,

ARE YOUR KIDNEYS WELL?

Many Chestertown People Know the Importance of Healthy Kidneys

The kidneys filter the blood.
Well kidneys remove impurities.
They work night and day.
Weak kidneys allow impurities to multiply.
No kidney ill should be neglected.
There is possible danger in delay.
If you have backache or urinary troubles,
If you are nervous, dizzy or worn out,
Begin treating your kidneys at once
Use a proven kidney remedy.
Recommended by thousands.
Proved by Chestertown testimony.

Mrs. Mary C. Frazier, High street, Chestertown, says: "About three years ago, I suffered from my kidneys and backache. At times I had dizzy spells and saw black spots before my eyes. My back ached terribly when I had to bend over and my kidneys didn't act right at all. I surely was feeling miserably until I began using Doan's Kidney Pills, procured from the Stam Drug Co. I took two boxes and had great relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Frazier had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

ENTRANCE EXAMINATIONS.

State Scholarships in Engineering Courses.

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in Gilman Hall, Monday-Thursday, September 16-19, 1918, beginning at 9 a. m. each day.

Examinations will also be conducted by the College Entrance Examination Board, Monday-Saturday, June 17-22, in Gilman Hall, beginning at 9 a. m. These examinations are accepted by the University.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 20, 1918, beginning at 9 a. m. Appointments will be made soon after.

Each Legislative District of Baltimore city and each county of the State, with the exception of Howard and Worcester counties, will be entitled to one or more scholarships for the year 1918-1919, in addition to those which have already been assigned. In the two counties mentioned above, all the available scholarships have been awarded.

The scholarships entitle the holder to free tuition, free use of textbooks, and exemption from all regular fees. One of the scholarships in each county and each legislative district of the city carries also the sum of $200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.

Applicants should address The Registrar, The Johns Hopkins University, for blank forms of application and for further information as to examinations, award of scholarships, and courses of instruction. m25-tf

The Soldier's Dream

The dream that the soldier dreams and dreams
Is never a dream of war and hate,
But of homeland fields where the sunshine gleams
And of vesper bells when the hour is late.

He dreams of an hour and a day and a night
When his land was free from strain and stress
Of war, with its bitterness and blight;
He dreams of a little checkered dress.

He dreams of home and the firelight there;
Of a lovely woman kneeling low
Beside a bed at her evening prayer:
In his dreams to her side would he yearning go.

He dreams of another summer day
When the birds sang sweet, as he tilled the soil,
He dreams of a little child at play;
And he prays for the peace of a kindly toil.

Yes, the soldier dreams of a thousand things,
But the last of them all is of war and hate;
He dreams of his home when the vesper rings
And his child a-swing on the gate.

—From "Stars and Stripes."

Bringing It Home To Us.—The everyday list of casualities among American soldiers on the fighting front, some dead, some wounded, some missing, brings home to us the real war and the risk to which our boys are exposed. They know what risk they take and with a clear vision and firm hearts are resolved to make the needed sacrifice for their country. In the presence of such unselfish devotion we who remain, the beneficiaries of their valor, should at least not be eternally grumbling about this thing and that thing, which may not be altogether to our liking. There are at the governmental helm men of ability, men with a clear vision, specialists in their line, and we feel sure that the affairs of the government are safe in their hands. We must win the war with a unity of action and by hard work, not by eternally criticizing.
