Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

THE reported death of Lieutenant Quentin Roosevelt, an American, aviator and youngest son of Ex-President Theodore Roosevelt, has been received with many regrets by the American people. He lost his life in the defense of his country.

THE Allied armies this week have dealt the German army a crushing blow on the Western front in which the American soldiers pushed back the Germans five to six miles on a 25-mile front, capturing many cities and taking much valuable equipment and many prisoners. The results of the past few days fighting has given renewed encouragement to the Allied army. The casualty list has not yet appeared, but it will bring heart aches and sadness to many homes. The German losses are reported as being very heavy.
