28 YEARS EXPERIENCE

The Only Practical and Most Reasonable Price Dealer In the County

Granite and Marble of All Kinds in stock.

MARK THE UNMARKED GRAVE

This is the last thing you can do in memory of your loved ones, being the last thing you can do.

Take no chances, but place your order with a dealer that has learned the trade and understands every branch of it thoroughly.

Don't be indifferent about this very important matter.

We carry the largest stock in the county to select from.

BONES AND BAGS.

On account of the war many of our supplies of Bones have been cut off, and in order to get all the nice dry country bones possible, we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory.

The country boys should pick up all they can and bring them to us instead of selling them to the junk dealers.

We will also pay the highest market price for good second hand Fertilizer Bags. Please communicate with us.

Very truly yours,

The Peerless Fertilizer Co.,

CHESTERTOWN EVIDENCE FOR CHESTERTOWN PEOPLE

The Statements of Chestertown Residents Are Surely More Reliable Than Those of Utter Strangers

Home testimony is real proof.

Public statements of Chestertown people carry real weight.

What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts.

Here's a Chestertown man's statement.

And it's for Chestertown people's benefit.

Such evidence is convincing.

That's the kind of proof that backs Doan's Kidney Pills.

Enoch Latham, shoemaker, High St., says: "Whenever I caught cold, it seemed to settle on my kidneys and I suffered untold pain. When I straightened up it seemed as though I were stabbed. My kidneys acted too frequently and I had to get up several times at night to pass the kidney secretions. I had dizzy spells and on different occasions my eyes gave me trouble and I could see sort of a mist before them. I surely went through quite a bit until I learned of Doan's Kidney Pills and began using them. I got them from M. A. Toulson's Drug Store, and they gave me great relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Latham had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Wheat Yields

Mr. B. F. Potts got one of the best yields of wheat in Rich Neck. He got something over 1200 bushels.

The yield of wheat in Rick Neck, Queen Annes, has been the poorest in years. It is thought the hard winter caused the crop considerable damage.

Mr. William Anderson got 500 bushels from 80 acres.

Mr. Henry Smith from 90 acres got about 650 bushels. Mr. Smith hardly made expenses on the crop.

Mr. Dewberry averaged about 12 bushels per acre.

Mr. William G. Smyth, of near Fairlee, from 50 acres got as high as 35 bushels per acre and averaged 28 bushels per acre.

Mr. Wm. G. Nicholson got about 28 bushels per acre instead of 24.

Mr. Howard Reese, of near Fairlee, got 25 bushels per acre from 80 acres.

Mr. Fred Davis, of near Emory's Wharf, got 22 bushels per acre from 21 acres.

A reduction of 40,000,000 bushels in the prospective wheat harvest is shown in the Department of Agriculture's July forecast, which is 891,000,000 bushels, compared with 931,000,000 bushels forecast in June. Deterioration during June reduced the prospective winter wheat crop by 30,000,000 bushels and the spring wheat crop by 10,000,000 bushels.

Mr. Julian Jones got about 20 bushels per acre from 127 acres. Mr. Jones resides on the Corkran farm, near Hopewell.

Mr. A. H. Covey got 2071 bushels from 80 acres, a general average of 26 bushels per acre. One 35-acre field gave 30 bushels per acre. Mr. Covey has sold his entire crop to Mr. C. W. Kibler for $2.20 per bushel net.

One farmer living not many miles from Chestertown got 115 bushels of wheat from 110 acres of land. The hard winter killed practically the entire crop.

Mr. Romie Fogwell, tenant on the Gale farm, got 1280 bushels of wheat from 80 acres, an average of about 16 bushels to the acre.

Mr. W. T. Morris, owner of the Churn Creek farm, got 1180 bushels of wheat from about 80 acres.

Mr. Lewis Parsons, of near Smithville, got 776 bushels of wheat from 45 acres.

Both Mr. Morris and Mr. Parsons got $2.37 per bushel for their wheat.

Mr. Wm. T. Brown, of Quaker Neck, got 1730 bushels from 87 acres, an average of 20 bushels to the acre.

Kent School Appointments

The following appointments were made by the Board of Education at their recent meeting:

Take Care of Your Capital

The fertility of your soil is your working capital. Everything you have depends upon it. It determines the value of your land, the yield of your crops, the size of your bank account, the measure of your success. Take care of it. Watch it as every business man watches and takes care of his capital.

Every planted acre in the United States that has not been properly fertilized in the past can be made to produce an increase this year. Take that pile of stable manure that has accumulated through the winter and top dress your growing crops with it, using a

Low 20th Century Manure Spreader

This is an easy running, light draft, wide spreading machine. It saves labor. It saves time. It saves fertilizer. It increases crop yields. With a 20th Century you can make every acre produce to its limit. Use it for top dressing. It spreads so wide that it dresses three rows of corn at once. It spreads eveninly because it gives the manure a double beating, breaks it up into small pieces, and spreads it out beyond the rear wheel tracks. Three sizes—small, medium, and large—all light draft machines with narrow boxes. The size you buy will do just the kind of spreading your soil needs to make it produce bumper crops. Telephone your order, or come in and get a 20th Century Spreader. We can make immediate deliveries.
