Notice is hereby given that an election will be held at Comegys Hall, in the town of Millington, on

SATURDAY, AUGUST 3rd, 1918.

between the hours of 2 p.m. and 5 p.m. for the purpose of voting for or against the issuing of bonds for the erection of a stand pipe or the purchase of fire fighting equipment, as provided under and by virtue of Chapter 367 of the Acts of the General Assembly of Maryland; passed at its January Session of 1918, the provisions of which act are as follows:

CHAPTER NO. 367.
A BILL ENTITLED

AN ACT to authorize and empower the Commissioners of Millington, Kent County, Maryland, to borrow money on the credit of said Town for the purpose of erecting a standpipe for better protection against fires or the purchase of fire fighting equipment and to issue bonds for the payment of the same and to levy on the assessable property of said town to redeem said bonds and pay the interest on the same.

Section 1. Be it enacted by the General Assembly of Maryland, That for the purpose of purchasing and erecting a stand pipe by the Commissioners of Millington or for the purchase of such fire-fighting apparatus as the Commissioners of Millington in their discretion may deem advisable, the better to afford protection against fires in the Town of Millington, the Commissioners of Millington, Kent County, Maryland, be and they are hereby authorized, empowered and directed to borrow money on the credit of the Town of Millington to an amount not to exceed twelve thousand ($12,000.00) dollars, and to issue coupon bonds of said Town in payment of said sum and the interest to accrue; provided, however, that the question of the issuing of the said bonds shall be submitted to the voters of said Town, qualified to vote for the Commissioners of Millington at the election to be held in said Town as hereinafter provided. The said bonds shall be issued in the sum of five hundred ($500.00) dollars each, shall have coupons attached for the interest thereon, payable semi-annually at a rate not exceeding six per cent. per annum, the bonds shall be signed by the Commissioners of Millington with the corporate seal of said Commissioners affixed and shall be registered by the Clerk of said Commissioners in a book to be kept for that purpose. The coupons attached to said bonds shall be signed by the Clerks of the said Commissioners. Said bonds shall be issued at such time as the Commissioners of Millington shall determine, subject to the provisions of this Act; provided that the date of issue shall not be more than six months after the date of the election held, as hereinafter provided. The bonds shall be designated as Millington Fire Bonds and numbered consecutively and shall be redeemable in the order they are numbered in sums of five hundred ($500.00) dollars in each year beginning two years from the date said bonds are issued, and one bond shall be paid each year thereafter until all of said bonds shall be paid; but said bonds shall be redeemable, however, at the option of said Commissioners of Millington after twelve years from the date of their issue; they shall be exempt from State, County and municipal taxation and shall have printed on them a reference of the Act of the Assembly authorizing their issue. The said Commissioners of Millington are directed to advertise at least once a week for three consecutive weeks in two or more newspapers published in Kent County for the purpose of opening negotiations for said bonds and on a certain day to be named in said advertisement they shall, in the presence of such persons as may be interested, open all bids received and award the bonds to the highest bidder, provided, no bid less than par shall be accepted.

Sec. 2. And be it further enacted, That the Commissioners of Millington shall in each and every year levy upon the assessable property in the Town of Millington such sums of money as may be necessary to pay the interest on said bonds as said interest shall become due and payable and also to levy such sums in addition as may be required to pay or redeem said bonds as the same mature from time to time until all of said bonds shall have been paid.

Sec. 3. And be it further enacted, That as a preliminary and prerequisite to the exercise of the powers and authority hereby granted and conferred, the sense of the voters of the Town of Millington who are qualified to vote at any election held in the Town of Millington for Commissioners of Millington, shall be first taken and had thereto, at an election to be held for the purpose in the Town of Millington on the 27th day of July, 1918, at some suitable place in said Town, selected by said Commissioners between the hours of 2 P. M. and 5 P. M. The Commissioners shall give at least ten days' notice of said election by advertisement in one or more newspaper published in Kent County aforesaid and any Justice of the Peace selected by said Commissioners may preside thereat and if the said Justice be not present at the time of the opening of the polls for said election, the Commissioners or a majority of them, may hold the same; if anything shall prevent said election from being held on the day so designated the Commissioners shall appoint another day for holding the same and shall give notice thereof at least five days previous thereto in the manner above designated, when the question shall be submitted to the said voters of Millington as to whether or not bonds shall be issued for the purchase and erection of a standpipe or the purchase of adequate fire equipment for the protection of the Town of Millington against fires and at said election this question shall be submitted on separate ballots prepared by the Commissioners of Millington, which said ballots shall have the words "For Millington Fire Bonds" or "Against Millington Fire Bonds" thereon. And if a majority of the votes cast at said election upon said ballot shall be "For Millington Fire Bonds," then, and not before, the Commissioners of Millington shall proceed to execute the powers and duties imposed upon them by this Act. But if the majority of the votes cast at said election upon said question shall be "Against Millington Fire Bonds" then this Act shall be of no effect.

## BLUE DEVILS SPURN FEAST WHILE THEIR FOLKS HUNGER

That splendid company of France's famous "Blue Devils" has just completed a triumphal progress through the United States. Their two months' tour was marked by banquet after banquet, feast after feast. But, though courtesy demanded that they should eat the dainties which were set before them on public occasions, only those who came in closest touch with these battle-scarred heroes from France knew what it cost them to do so. For they could not but contrast the overflowing tables here with the empty larders they had seen in France.

At one private home in Maryland at which eight of the "Blue Devils" were guests it was noted that they ate neither cake, nor ice cream, nor butter.

Pressed repeatedly to do so, one said, "It hurts us to eat these things when our people are starving."

### BOYS WHO DO THEIR BIT.

When the movement to have city boys help out on the farms first was started, there was a great deal of comment to the effect that no city boy could do such work; that, first of all, they wouldn't like the life, and, secondly, they hadn't the stick-to-it iveness to prove valuable.

That idea has been exploded. Mr. Frank B. Cahn, Director of the U. S. Working Reserve for Maryland, says he found the boys working under ideal conditions and that the vast majority of them had actually grown to like their jobs. As indicative of how the boys are "taking" to the life and how they feel about the services they are rendering, two postals recently received by R. H. Beck, welfare director of the boys' farm army, or "reserves," as they like to style themselves, are typical. One was from a boy on a farm up in Baltimore county. It read: "I think farm life is great, and I think I voice the sentiments of all of the boys. We are well treated and are happy in the thought that we are doing our bit."

Another, from a boy at Camp Ednor, where there are a score of boys, reads: "The work is rather hard on the hands, as there are so many long weeds, but I don't mind when I think of our boys in the trenches 'over there.'"

Any boy between 16 and 21 who wants to help his Uncle Sam win the war can sign up with the Boys' Working Reserve.

### WOMAN'S PART IN THE FRAY.

An authoritative statement from official Washington again impresses upon the women of America the fact that "they have never been called upon before to bear so great a burden as the coming months will impose upon their courage and their constancy."

It is interesting to note that though women's part in all the war activities is emphasized, first place is given to the matter of food production and food conservation and women's share in it. The message reads in part: "The women of America must see to it that the nation's producing power is not enfeebled by the draft made upon it to strengthen the fighting power.

"They must produce food by working gardens, by raising chickens, by doing farm service where they can or by helping and encouraging those who do it. They must aid in the kitchen conserving food by wise economies, canning, drying, preserving, pickling and preparing food in accordance with the food administration's program. They must purchase where they see the Food Administration's emblem, watch their local dealers, buy local produce in preference to shipped goods and resist the temptation to hoard.

"America is today rationing the world. Without our food supplies the Allies could not fight for us. They are suffering privations. The food that we save for them is not a saving of money. It is a saving of life. It is worth more than its weight in gold."

**Shepherd's pie** can be made of cooked flaked fish and top of mashed potato. The fish is seasoned with soup broth, pepper, fat and salt, with a little flour for thickening.

**The way** to save ice is to buy more ice.

**Baked beans** with salad dressing make a good sandwich filling.

**Two ounces** of fat per day is as much as any person needs.

**Each individual** boiled potato served as such will require more butter or sauce to make it palatable to most people than would be required to season it beautifully if it was served as mashed potato.

**New potatoes** mashed and whipped with scarcely any seasoning, just a bit of hot milk and butter, will be more palatable than poorly mashed and not whipped potatoes, with a good deal of cream and butter.

**If you are a storekeeper,** encourage the use of substitutes for beef, pork and wheat. Get your customers to buy goods that will release other foods for shipment overseas. Do not overstock; do not overcharge: reduce your overhead. You are a partner with the Maryland Food Administration.

### OATMEAL SOUP.
(Official Recipe.)

One cup milk, three cups rice stock or vegetable stock, two cups cold boiled oatmeal, one teaspoon grated onion or one-quarter teaspoon grated nutmeg, one-half teaspoon salt and dash pepper.

Put the milk and rice stock into top of double boiler; add the oatmeal, which has been rubbed through coarse strainer; add the grated onion or nutmeg, salt, pepper and paprika; boil five minutes.

P. S.—A good way to make this soup is to make extra oatmeal for breakfast; after breakfast, add the stock to the oatmeal in top of double boiler, and it will be ready by noon

This farm contains about 300 acres of land, and is one of the most beautiful locations in Kent County. The water view from the dwelling is unsurpassed, broken by the hills of Kent and Cecil County, while the land is a medium loam and easily responds to cultivation and improvement. It yields fine crops of grass, hay, wheat, corn, tomatoes and asparagus, for which the soil is extremely well adapted. The frame dwelling is situated on a rolling eminence, enjoying a commanding sweep of the surrounding country.

The waters abound in fish and wild fowl. The farm shores are noted as being one of the best duck and gunning places in Kent County.

TERMS OF SALE.—$15,000, possession given Jan. 1st, 1919. The place is now occupied by Mr. Ralph W. Shallcross, who will take pleasure in showing it to any intending purchaser. One-half the purchase money may remain on the farm at 5 per cent for either 5 or 10 years at the option of the purchaser.

### ORDER OF PUBLICATION

In the Circuit Court for Kent County.
In Equity No. 2042.

Bessie May Lambert
vs.
Thomas Clarence Lambert.

The object of the Bill filed in the above entitled case is to procure a Divorce, "a vinculo matrimonii," for the Plaintiff, a resident of Kent county Maryland, from the defendant. The Bill states:

1. That on the 7th day of October, 1902, she was married unto Thomas Clarence Lambert, with whom she resided in Kent County, in the State of Maryland, until about the 8th day of July, 1914.

2. That the conduct of your Oratrix towards her husband, the said Thomas Clarence Lambert had always been kind, affectionate and above reproach; the said Thomas Clarence Lambert has, without any just cause or reason, abandoned and deserted her, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years and is deliberate and final, and the separation of the parties is beyond any reasonable expectation of reconciliation. Your Oratrix does not know her husband's whereabouts but when she last heard from him he was said to be in the State of New Jersey.

3. That your Oratrix and the said Thomas Clarence Lambert have three children born to them from said marriage, the eldest of whom is a girl, and her said husband since he deserted your Oratrix has never seen her nor his children and has contributed only $30 towards the support of his children, but has never contributed to her or their support during the last three years or longer.

It is thereupon this 28th day of June A. D. 1918 Ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 29th day of July next, giving notice to the said Thomas Clarence Lambert, non-resident defendant, warning him, to appear in this Court, in person, or by solicitor, on or before the 15th day of August next to show cause, if any he has, why a decree ought not to be passed as prayed.

U. S. SHIPPING BOARD RECRUITING SERVICE

A. L. Sterling, recently appointed enrolling agent for the U. S. Shipping Board Recruiting Service, reports numerous inquiries from young men, who prefer serving their country in the great war on the sea rather than on land. Most of the would-be recruits want to know what the pay is while training. They are informed that it is $30 a month, plus board and lodging, and the use of a uniform. After approximately two months on a training ship, the Merchant Marine recruits are placed in the crews of cargo or passenger vessels, for mercantile voyages to various quarters of the globe. They are exempted from military service.
