THE Red Cross unit of Chestertown needs oakum pickers to prepare pads for our wounded soldiers who are daily falling in battle in France. Will not our young ladies who are not already assisting in this patriotic work volunteer their services and give a part of their spare time to the relief of our American soldiers who are now suffering, bleeding and dying for our protection?

KENT AND QUEEN ANNES CO. FAIR HELD HERE THIS WEEK

Inclement Weather Mars First Two Days—Thursday and Friday Were Big Days

Rain, which began falling at about 2.30 on Tuesday afternoon, threatened to mar the whole four days of the big Kent and Queen Annes County Fair this week, but after stopping the races on Tuesday after three heats had been run and preventing the races altogether on Wednesday, the rain stopped falling, the skies that had been sodden on Tuesday and Wednesday cleared the latter night and Thursday morning found the weather fine, the track hard and before noon Chestertown crowded with people from three counties eager to see the fastest horses ever assembled in one place on the Eastern Shore go under the wire.

Tuesday was the biggest "first day" in the history of the Fair Association, considering everything. About 500 paid admission.

The management had left no stone unturned this year to make the Fair a big success and only the weather prevented the total attendance from being much larger.

One of the features of the Fair this year was the cattle exhibit. Kent and Queen Annes counties have some fine cattle and both were well represented in this line. This department was under the supervision of County Agent Burrell. Mr. Burrell always makes a success of everything he goes into and the cattle exhibit was no exception.

The winners in the cattle exhibit were as follows:

Registered Holsteins—bull, over 2 years old,1st, J. Carroll Seney; bull, 1 to 2 years old, 1st, S. G. Caldwell; 2nd, S. G. Caldwell; heifer, 6 month to 1 year old, 1st, N. V. Walters; 2nd, N. V. Walters.

Grade Holsteins—heifers, 2 years old, 1st, S. G. Caldwell; 2nd, Wm. J. Hudson.

Registered Guernsey—heifers, 6 months to 1 year, 1st, J. W. Newton; 2nd, J. W. Newton.

Registered Ayrshires—bull, over 2 years, 1st, Foster Parker.

Sweepstakes—Best herd, any breed, one registered bull and four grade heifers of same breed as bull. Holsteins won, 1st, S. G. Caldwell.

Best bull, any breed—Ayrshire, Foster Parker.

On Thursday about 3000 paid admission to the grounds. Tuesday's races were continued over to this day and proved spirited and interesting, six heats being required to finsh the first race. The racing program for the day was a splendid one. The races for Thursday resulted as follows:

Yesterday, Friday, the last day of the Fair, dawned bright and clear and it was evident that a large crowd would be present and the races would be good, although we went to press before they were well in progress. The track was fast and no doubt good time was made.

The poultry exhibit was somewhat small. This was due to the fact that at this season of the year the old stock is in full moult, and almost useless to exhit—and not from a lack of interest in the same. About the only stock that poultry raisers have to exhibit is half grown stock.

The list of premiums and prizes for the household and farm exhibits will appear in our next issue.
