LIGHTNING DOES CONSIDERABLE DAMAGE IN KENT COUNTY

Cot In Mr. A. S. Turner's Home Hit By Lightning—Barns Destroyed—Cows Killed—Other Damage Is Done

During the electrical storm on Wednesday night which gave considerable relief to Kent's suffering population, considerable damage was done by the lightning. A cot in the home of Mr. A. S. Turner, at Worton, was struck by lightning and the covers set afire. The lightning came in an open window, going out another open window. Mrs. Turner, wife of Mr. Turner, a few minutes before had started to close the window in which the lightning entered and had she carried out her purpose she would undoubtedly have been struck by the lightning. Mr. Turner seized the burning covers from the cot with his hand and extinguished them by rubbing them together, burning two fingers severely in so doing, but saving his home from burning by it.

Three cows were killed on Mr. Arnold Willis' farm, near Worton, by the lightning on Wednesday night.

Lightning struck the electric light pole in front of the residence of Capt. Hogans in Rock Hall Wednesday night at about 10 o'clock. Mr. Hogans was sitting inside his front door when the flash came. The electric light bulbs on the pole was demolished. The electric light pole in front of Mr. Grit Urie's store in Rock Hall was also struck at about the same time.

The barn of Mr. Henry Urie, near Rock Hall, was struck by lightning on Wednesday evening during the storm and burned to the ground. Some hay burned with it.

The stable on Dr. Dudley's farm at Perkins Hill, near Kennedyville, tenanted by Mr. Harry Scheltz, was struck by lightning on Wednesday night and destroyed.

The home of Mr. Joseph Norris, near Lynch was struck by lightning on Wednesday evening and some damage done to the property.

The cannery at Hayden, Queen Annes, was struck by lightning and destroyed on Wednesday evening.

Mr. Eugene M. Bonwill, residing on the Bonwill home farm, near Betterton, had a valuable cow killed by lightning on Wednesday evening. Mr. E. F. Beck had the cow insured.

UNDER THE STARS AND STRIPES

(Continued on page 7)

Mr. Archie Clothier, a brother of Mrs. Charles J. Baxter, of Rich Neck, had three ribs broken when he fell from an airplane at an aviation camp the other day.

Mr. Walter Joiner, of near Fairlee, who is in France with Uncle Sam's troops, will receive his service stripe soon.

Letters from Lieut. J. T. Kibler, dated July 17, say that he has left the hospital in France, that his finger has been amputated and that he is about ready for active service again.

Mr. Robert R. Ayres, who is at the Officers Training Camp at Camp Gordon, Georgia, is coming along nicely. At a recent examination he made an excellent average and expects to "come through" the first part of September. We then look for Lieutenant Ayres to pay a short visit to his old friends in Kent.

Mr. Herbert Usilton, son of Mr. and Mrs. John G. Usilton, will enter the wireless school at Richmond in the near future.

Mr. Henry Kratzer, who is at an aviation school, is getting along nicely and will receive his commission as lieutenant in a few weeks.

Capt. Earle Withgott has arrived safely in France and, it is said, he will be stationed near Paris.

Mr. W. R. Moody, who is connected with the camp activities, stationed at Washington for the present, is spending the week-end home.

Corporal Stephen R. Collins, who has been at Arcadia, Florida, for about six months, has been transferred to Hampton, Va.

Boilermakers Wanted By U. S. Navy

Enlistments of boilermakers for the Regular Navy (duration of the war) are specially needed. The present war pay is $77.50 per month. In addition to your salary you are privileged to make special monthly allotments to your dependents, which is paid by the Government, and also subscribe for insurance which the Navy offers at a very low rate. Age limits 21 to 35 years. Apply at any recruiting station, or address Lieut. Com. Newton Mansfield, Recruiting Inspector, Eastern Division, 225-227 W. 42d St., New York City.
