Community Kitchen

A Community Kitchen was opened in Chestertown on Tuesday in the Domestic Science rooms of the High School Building. The Food Administration, under Mr. Hoover, has requested housekeepers to dry all fruits and vegetables this fall, instead of canning, in order to save sugar which will be exceedingly scarce. Also to save tin cans and glass jars, which are very scarce and high. Rubbers are also inferior, which will make it difficult to keep the fruits and vegetables.

The Community Kitchen is opened to the public absolutely free. Here is a splendid opportunity to dry your fruits and vegetables and visit your neighbors at the same time. For information apply to Miss Annie Copper, who can be found at the Watts House every evening after seven o'clock.

The Kitchen will be opened on the following dates:

Wednesday morning, Aug. 21, at 10 o'clock, Mrs. Allan Harris in charge.

Thursday morning, Aug. 22, at 10 o'clock, Miss Annie Copper in charge, Mrs. R. C. Harris, assistant.

Wednesday morning, Aug. 28, at 10 o'clock, Mrs. W. B. Copper in charge.

Thursday morning, Aug. 29, at 10 o'clock, Mrs. Charles Smith in charge.

Later dates will be advertised when the Kitchen will be opened.

Miss Copper has been giving demonstrations in drying this week at Kennedyville, Galena and Millington. Next week Community Kitchen will be opened by Miss Copper on the following dates:

Monday, Aug. 19, Betterton and Still Pond.

Tuesday, Aug. 20, Fairlee.

Wednesday, Aug. 21, Worton.

Thursday, Aug. 22, Chestertown.

Friday, Aug. 23, Locust Grove.

The district leaders and their executive committees will please bring the people out to these meetings. Meetings will be held in other districts of the county on later dates.

All farmers who have fruits or vegetables for sale will please notify Miss Copper at the Watts House every evening after 7 o'clock, telephone 220R. If any farmers have any fruits or vegetables that are going to waste on account of scarcity of help, please notify Miss Copper and parties of ladies will go out from town and gather these fruits and vegetables. The government asks us to save all food.
