THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

THUS FAR in 1918—for seven months—there has not been a single NATIONAL BANK failure in the United States. Never before in the history of the NATIONAL BANKS since 1870 (with the single exception of the year 1881) has there been such immunity from failures. This is due to National Supervision, more conservative management, rigid examinations, etc. This bank, of course, is under National supervision. Our growth during the past year has been very gratifying. See below:

Our Individual Deposits Tuesday, Aug. 13, 1918, were	$1,332 359.98
Our Individual Deposits Tuesday, Aug. 14, 1917, were	943 303.41
Showing an INCREASE during the year of.....	$ 389,056.57

This splendid increase in business is based upon CONFIDENCE. If you are not a customer of this institution we will be pleased to have you become one. Call and see us.

What is the difference between an OCULIST and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.

To Form Local Boosters' Club

A movement is on foot among the young business men of Chestertown to form a "boosters' club" for the purpose of "booming" Chestertown and vicinity. The club proposes to bring manufacturing interests here by offering them free sites and other inducements.

The members of the club point out that other towns and cities have done things similar to this, thereby increasing the population and wealth of the towns many fold, and that Chestertown, admirably situated that it is, can do likewise, if the movement is properly handled.

Chestertown has a number of exceptionally progressive young business men, who propose to push the "boosting" movement and put Chestertown on the map.

Important Meeting

A Womans Defense Council meeting will be held Monday afternoon at 3 o'clock at the Eastern Shore Inn.

Owing to Chautauqua the meeting has been postponed from the first Monday to the second Monday of the month.

No reports are required, but District Leaders and their Executive Committees will please be present. Liberty Loan Chairmen and their Committees are especially requested to come, as plans for the Fourth Loan must be made immediately.

Mrs. Lecates, Chairman of Women in Industry, is expecting to have a speaker present.

WOMEN'S DEFENSE COUNCIL.
