HEARD IN CHESTERTOWN

How Bad Backs Have Been Made Strong—Kidney Ills Corrected

All over Chestertown you hear it. Doan's Kidney Pills are keeping up the good work. Chestertown people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and off color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Chestertown citizen's advice and give Doan's a chance to do the same for you.

Thomas S. Clements, retired farmer, S. Mill St., says: "I suffered from backache, and when I had to stoop over, I had extremely sharp pains in the small of my back. As Doan's Kidney Pills had been used in my home M. A. Toulson's Drug Store, I haven't been troubled since using them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clements had. Foster-Milburn Co. Mfgrs., Buffalo, N. Y.

State Scholarships in Engineering Courses.

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in Gilman Hall, Monday-Thursday, September 16-19, 1918, beginning at 9 a. m. each day.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 20, 1918, beginning at 9 a. m. Appointments will be made soon after.

Each Legislative District of Baltimore city and each county of the State, with the exception of Howard and Worcester counties, will be entitled to one or more scholarships for the year 1918-1919, in addition to those which have already been assigned. In the two counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holder to free tuition, free use of textbooks, and exemption from all regular fees. One of the scholarships in each county and each legislative district of the city carries also the sum of $200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.

Scholarships may be awarded to graduates of Loyola College, St. John's College, Washington College, Western Maryland College, Maryland Agricultural College, Mt. St. Mary's College, Rock Hill College. Two scholarships will be awarded "At Large"

Applicants should address The Registrar, The Johns Hopkins University, for blank forms of application and for further information as to examinations, award of scholarships, and courses of instruction. The session begins Tuesday, Oct. 1.
