Buy Liberty Bonds

Our boys are doing heroic work in France, and are driving the Hun army back each day. Buy Liberty Bonds and help feed, cloth and furnish ammunition and other war essentials for our fighting heroes.

IN the death of Congressman Fred C. Talbot, of Baltimore county, Maryland loses one of her old-time Democrats and Baltimore county loses its Democratic leader. Mr. Talbott was a strong supporter of President Wilson's administration. The indications are that Ex-Senator Carvil D. Benson will succeed Mr. Talbott as the Democratic leader of Baltimore County. He has been chosen to succeed Mr. Talbott to represent this district in Congress.

$285,000 SUBSCRIBED

Subscriptions to the Fourth Liberty Loan at the hour of going to press have reached $285,000. Of this amount Chestertown has subscribed $137,400; Rock Hall $50,100; Kennedyville, $14,500; Millington, $43,000; and Galena, $40,000. A meeting was held at Still Pond last night, but we had gone to press before the result had been learned, but we are sure Still Pond will do her part. A meeting will be held at Betterton tonight and one at the M. P. Church Sunday afternoon at 3 p. m. Kent's quota is $543,000 with only $285,000 subscribed at noon Friday, which leaves $285,000 to be subscribed by Saturday, October 19. Lets have it before Saturday and put Kent in her patriotic place with her sister county, Queen Annes, who has already oversubscribed.

FIFTY FARMS
URGENTLY WANTED
BUYERS WAITING
I want immediately a lot of Eastern Shore farms, especially WATER FRONTS, from a few acres up to average sized farms. My very extensive advertising in northern and western papers, also among the war industry workers along the Delaware River, is bringing scores of inquiries and a big proportion of them are for "water-fronts."
Within the next few months hundreds of buyers will be coming in here ready and anxious to buy a farm and get settled for the coming year. This is the cream season of the year for selling farms. If you have any kind of acreage, now is the time to sell it. This war has made many changes and the market for farms is waking up.
All farms listed with ALBERT L. TEELE'S FARM AGENCY will be widely advertised in a big illustrated catalogue mailed all over the United States. Desirable farms, offered at fair prices, will be liberally advertised in the TRANSCRIPT and the KENT NEWS, free of cost to you.
Do not measure ALBERT L. TEELE'S FARM AGENCY and what it will do for you by what you know of other farm agencies. Do not underestimate active, vigorous methods, backed by ample capital, generous and effective advertising and experienced, tireless salesmen.
I Charge No Commission
Remember—it does not cost you one cent to have your farm sold by ALBERT L. TEELE'S FARM AGENCY. This is a perfectly legitimate proposition, will stand the closest investigation and is based on sound business principles. I invite your banks, and any others interested, to make full inquiries on your behalf.
MR. JOHN E. BARNES,
well and favorable known to the Chestertown public, is now local representative and salesman in Kent and Queen Anne counties for ALBERT L. TEELE'S FARM AGENCY. If you have a farm to sell notify him at once. He will promptly call on you, inspect your farm, take pictures, help you to fix a price that will sell it quickly,—and then watch him turn it into real money for you.

FARM AGENCY
Newark, Delaware.
JOHN E. BARNES, Chestertown, MD.

TO THE
Men and Women of Kent County:
Awake to the Peril of Your Country.
The Liberty Loan is in Danger of Failure. With its Failure Comes Disgrace and Disaster to Every Home in the Land, Deadly danger to our Cherished and Boasted Liberty.
Our Splendid Armies in the Field Cannot be Maintained if this Loan is not Raised. Our Share is $543,000.
Our country is rich and fertile and we have been blessed with abundant crops. Our people are enlightened, brave and generous. But the loan lags, and we have as yet not raised one-third of our quota. Never have our farmers, watermen, merchants, business men and laborers been in receipt of so much money as now. Nearly five times the amount required of us is this moment in the savings departments of the banks of the county at Four Per Cent Interest. Will you let it stay there and turn a deaf ear to your country's appeal? Or will you take it out and lend it to our country on the best security in the world at four and a quarter per cent interest? Will you allow our sons and brothers in France to suffer and die in vain?
Be not deceived into accepting a lying German peace at the very moment when victory is at hand. Victory which will ensure true and lasting peace.
Duty to our country, to our soldiers consecrated to the cause of humanity and to our glorious allies and brothers of Belgium, France and England calls to us in trumpet tones to sustain them in their determination to make the world free to all people worthy of freedom.
Let us all pledge, as our fathers did in 1776, ourselves, our fortunes and our sacred honor to the cause of freedom and redeem our obligation to our country by our prompt subscription to this loan for our common welfare and safety.
