VOL. LVIII—NO. 22 CHESTERTOWN, MARYLAND, SATURDAY, OCTOBER 26, 1918 $1.00 PER ANNUM

THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Third National Bank of Chestertown, Md., takes this opportunity to extend its thanks to its customers and friends whose hearty response to our country's appeal enabled this bank to go way beyond its quota. Our subscriptions amounted to $210,000.00. The object of this announcement is to acknowledge the co-operation of our depositors and friends. We all feel proud of Kent county—it having gone "way over the top."

We wish again to call the attention of those who may hold unconverted 3½% or 4% Liberty Bonds, that the time for conversion into the 4¼% will expire NOVEMBER 9th. Please let us have them before that date, we will gladly attend to the conversion—without any expense or trouble on your part. Again thanking you for your patronage, we remain sincerely,

THE THIRD NATIONAL BANK
OF CHESTERTOWN, MD.

THANKS

The General County Committee for the Liberty Loan Campaign, just closed, desires to express its appreciations and thanks for the hearty co-operation and assistance given by all local committees, both ladies and gentlemen; by all who assisted with the music; by all the speakers, and for the use of the various halls and churches. To the newspapers for the generous space contributed, to Mr. S. W. Granbery for furnishing light at the Trophy Train Friday night, Oct. 18, and to all other co-workers.

It was only by the united efforts of all and the generous response of our people that the splendid showing of $641,300 for the county was obtained.

We feel assured that all who took part will feel repaid by the knowledge that we all did what we could to back up our boys who are fighting for us "over there."

LIBERTY LOAN COMMITTEE.

Clocks Go Back Tomorrow

The extra hour of daylight which was added to each day on March 31, when the hands of clocks all over the country were advanced 60 minutes, will be lost again tomorrow, Sunday, October 27, when the hands of the clocks will all be pushed back one hour.

The change will take place, possibly, a little easier than in the spring, for now that the weather is cooler and the days so much shorter every person will be glad of the extra hour for sleeping in the morning, even though they have to lose an extra hour at night.

The daylight saving plan worked well in all sections, and much work has been accomplished in the extra hour. It has also given people more time for recreation and pleasure when the day's work has finished.

At 1 o'clock tomorrow morning the hands of all clocks will be changed back one hour and the change will take place with such little effort that it will scarcely be noticed.

PERSONAL AND SOCIAL

Miss Hallie Toulson has been quite sick this week with the influenza.

Mr. J. Thomas Smith, one of Queen Anne's up-to-date farmers, is convalescing from a bad attack of the influenza.

What is the difference between an OCULIST and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.
