For Representative In 66th Congress
HON. JESSE D. PRICE
of Wicomico County
Election on Tuesday, November 5th

KENT GOES OVER THE TOP.

Kent County's Liberty Loan reached the magnificent sum of $641,300—$98,000 over her allotment.

THE Democratic State Central Committee for Kent County publishes a notice to the Democratic voters of the county in this issue that every voter in this county should read.

THE election of a Congressman from this District will take place Tuesday, November 5, just one week from next Tuesday. The Hon. Jesse D. Price is the Democratic condidate and is entitled to the votes of the people of this county. He has stood for all the war measures of President Wilson and has given the president his best support in the trying ordeals which confront our country and our Allied nations of Europe. President Wilson desires the return of Hon. Jesse D. Price to Congress that he may have his valuable and earnest support. It is therefore the duty of all Democrats to go to the polls on Tuesday, Nov. 5, and cast their votes for Mr. Price. Matters of vast importance at Washington demand Congressman Price's attention there and he will not be able to personally see or address you, but asks for your support at the polls on Tuesday, Nov. 5.

UNDER THE STARS AND STRIPES

Mr. and Mrs. Arlington L. Sparks received a letter from their son, Sergeant Irving Sparks, on Saturday. Mr. Sparks was at the front recently and inspected the famous Hindenburg trenches, which were recently captured by the Allies. Mr. Sparks says the trenches are of solid concrete and looked to him like they were built to hold.

Letters from Sergeant Colin F. Duyer to his parents, Mr. and Mrs. Lawrence E. Duyer, state that he is now doing active duty on the firing line in France. Sergeant Duyer says the rats in the trenches are as big as cats and are wearing "service stripes" from long duty.

Mr. and Mrs. Charles Hodgkin received four letters from their son, who is in France. Mr. Hodgkin recently saw a big airplane battle in which a German machine was demolished.

The following letter was written by a 12-year-old girl of the M. E. Sunday school and sent to the boys in the service whose names are recorded below as being on the service flag of the school:

Chestertown, Md., Sept. 29, 1918.

Dear Soldier Boy:

Just a few lines of cheer to tell you that you are not forgotten in the Chestertown M. E. Sunday School.

We miss you very much and wish you could be with us, if only for one session of Sunday School, but never worry, for Uncle Sam needs you much more than we do to help in this terrible struggle.

We are glad to know that boys from our Sunday School and church are in the camps and "Over There," doing their part in the World War.

We hope you have a Y. M. C. A. in your camp and attend it often; also that you are present in every religious service possible, and do your part as you did back in this dear old town of ours.

We all wish you had been home for Chautauqua, as you know it is very helpful to our town. It was a great success while here. We expect it again next year.

We are doing our share in buying Liberty Bonds, saving food and everything we can to help our country. The Fourth Liberty Loan is now on. We expect it to be a great success.

We hope you are in the best of health and well satisfied with your work.

Do not forget your old town and Sunday School, and when this war is over and you come back home, remember that your place in the church is always open, and we are looking for you.

With love and good cheer,

FROM YOUR FRIENDS OF THE METHODIST EPISCOPAL S. S.

The following are represented by stars on the Service flag of the M. E. Church and Sunday School: Fred Ford, Colin F. Duyer, Loice M. Rust, Murrell Dunbracco, Edward Blackway, Elmer Sterling, W. F. Blyman, R. H. Payne, Norman Hirons, William Newnam, Irving Sparks, J. T. Kibler, Houston Toulson, Henry Lambert, Charles Hodgkins, Earle D. Duyer, Heighe Hill Harvey Blyman, T. M. Beauchamp, J. Hurst Beauchamp, E. F. Bowen, C. Merritt Brown, William Miller, Robert R. Ayres, William Lester Baldwin, Floyd Brown, G. W. Crowther, Norman Peterson, Thomas Perry, Romie C. Sutton, Harry Hadaway, Arthur A. Groves, Wm. S. Campbell, Harry Rouse, Charles B. Ford, T. Kemp Bordley, J. H. Huffington, Miss Estelle Anthony, Daniel Hall.

Lieut. Robert R. Ayres, who is at Camp Green, Charlotte, N. C., was promoted to first lieutenant this week. Lieut. Ayres is the type of young American who is bound to make good anywhere you put him and we look for him to be promoted again.

Mr. Samuel Hicks received a copy of the "Stars and Stripes" from Capt. Gault Applegarth on Tuesday. The paper is published in France and is interesting, well-written and mechanically in good shape. It contains principally interesting matter regarding the war.

Mrs. Ida M. Blyman received a letter from her son, Mr. William Blyman, this week. Mr. Blyman is in France and is seeing active service in the trenches. He has recently seen Dr. H. L. Lemen and wishes to be remembered to the Kent county people.

A cablegram was received from France on Wednesday by Mr. Charles W. Kibler to the effect that Lieut. J. Thomas Kibler had been "gassed" by the Germans. We are unable to learn to what extent he is injured, but trust it is not seriously.

Private George Savin, of the 16th Co., 154th Depot Brigade, died at Camp Meade last week. He was from Millington.

Private Samuel D. Gleaves, of the 6th Co., formerly from Millington, died at Camp Meade last week.

In a letter to his mother, Mrs. S. E Ford, Private Fred Ford, now in France, writes that he is having a big time, Bates Russell sleeping on one side of him and Tom Keating on the other.

Mr. Carl N. Bordley, son of Mr. and Mrs. Thomas S. Bordley, has received a call for special service, and will leave next Monday for Fort Thomas, Kentucky.

Capt. and Mrs. Chas. Kerr received a letter from their son, Lieut. Maurice Kerr, last week.

Private Albert Winchester wrote his aunt, Mrs. Wm. Biggs, from France recently. He says he is seeing some rare sights.

Corporal Joseph Lambert, of Camp Meade, attended the funeral of Mr. Connelly Beauchamp this week and returned on Friday.

Appeal From the Democratic State Central Committee to the Democratic Voters of Kent County.

FELLOW DEMOCRATS:

This Nation stands today facing the most momentous period of its history. For years, the world has been in the midst of the greatest struggle for the maintainence of universal freedom of the people through which the nations of the earth have ever passed and in the midst of this great struggle, President Wilson has stood out the foremost figure as the leader of Democracy as opposed to the autocracy of the central powers. It has been a struggle of giants, and the people of the whole world and especially of the United States have been fortunate in having such a champion as President Wilson, in the White House at such a trying period of our nation's history. During all these turbulent and stirring times the President has had at his back a united Democratic Party composed of men of brains and ability, who have stood as a stone wall against everything which did not tend to aid the President in bringing about his plans for a world-wide peace and the formation of a league of nations which would stand forever and ever against the tyranny of the military powers of the Central Empire.

Among these men who have been at the right hand of the President during this critical period has been the Hon. Jesse D. Price, Democratic Congressman from the First Congressional District, who has never faltered for a single instant in his loyal and faithful support of the President and all the policies for which Mr. Wilson has stood so earnestly. Throwing aside all thought of personal or political advancement, Congressman Price has given his most loyal support to all the policies of President Wilson, and his record as Congressman from the First District has been one of which every Democrat from Cecil to Worcester can well be proud.

He has been a most faithful public servant and his party has again honored him by renominating him for another term in Congress without opposition, and on the 5th of November the Democratic voters of the First Congressional District will be called upon to assemble at the polls and show by their action whether or not they are still supporting President Wilson and are faithful to the great cause of Liberty for which the President and our Congressman both stand.

During his service in Congress Mr. Price has stood loyally for every measure which meant the full support of our boys in the army, at home and abroad, and his loyalty to the young men of our own blood and bone should be sufficient to endear him to the hearts of not only the Democrats but also of the Republicans of the First Congressional District who should feel it an honor to go to the polls on November 5th, and vote for the return of Mr. Price to the 66th Congress of the United States so that he may continue to help uphold the hands of our President and lend his aid and experience in passing on the momentous questions which will continue to arise day by day until the world is once more at peace. If any Congressman demonstrated that he believes that public office is a public trust, that is our present Congressman, the Hon. Jesse D. Price, whose record being as clean as a hound's tooth, is an honor not only to his native county, but to the State and to the Nation as well.

Therefore, as the governing body of the Democratic Party of Kent County, we, the State Central Committee issue this clarion call to the Democratic voters of Kent and the other counties of the First Congressional District to organize themselves into a solid fighting body to see that every Democrat goes to the polls on November 5th, and does his full duty in supporting President Wilson by voting for the re-election of the Hon. Jesse D. Price. We believe that in no other way can the Democrats or for that matter, can the citizens of the First Congressional District, reward a worthy public servant or our fellow citizens of Kent Co. show their full appreciation of the faithful work done by one of our own sons, than by performing this great civic duty.

Congressman Price is in Washington attending to his official duties and is not running over the country seeking personal votes, therefore, as the governing body of the Democratic Party of Kent County we appeal to all Democrats to take a personal interest in this campaign, and while our Congressman is standing by the President in performing his public duties in the Capitol, let us give our time and means to promote his campaign at home by a personal solicitation among the voters of every district of the county urging them to come to the polls on the 5th of November and cast their vote for the reelection of Congressman Price and the further strengthening of the hands of President Wilson by insuring him a Democratic Congress to support him during the remainder of his administration.

Because of the great epidemic which has swept over this community, it will be inadvisable to hold public political meetings and because of the omission of these local gatherings, it is more important that every Democrat should consider himself a committee of one to do something towards making this a successful campaign for the re-election of a Democrat to Congress, and we again appeal to you one and all to let nothing remain undone in your respective localities which will tend to aid in the triumphant election of Hon. Jesse D. Price on Tuesday, Nov. 5th.

Yours for Success,
ROBERT MOFFETT, Chairman,
A. LINWOOD BEASTON,
A. CARROLL WILLSON,
Democratic State Central Committee for Kent County.

FIFTY FARMS
URGENTLY WANTED
BUYERS WAITING

I want immediately a lot of Eastern Shore farms, especially WATER FRONTS, from a few acres up to average sized farms. My very extensive advertising in northern and western papers, also among the war industry workers along the Delaware River, is bringing scores of inquiries and a big proportion of them are for "water-fronts."

Within the next few months hundreds of buyers will be coming in here ready and anxious to buy a farm and get settled for the coming year. This is the cream season of the year for selling farms. If you have any kind of acreage, now is the time to sell it. This war has made many changes and the market for farms is waking up.

All farms listed with ALBERT L. TEELE'S FARM AGENCY will be widely advertised in a big illustrated catalogue mailed all over the United States. Desirable farms, offered at fair prices; will be liberally advertised in the TRANSCRIPT and the KENT NEWS, free of cost to you.

Do not measure ALBERT L. TEELE'S FARM AGENCY and what it will do for you by what you know of other farm agencies. Do not underestimate active, vigorous methods, backed by ample capital, generous and effective advertising and experienced, tireless salesmen.

I Charge No Commission

Remember—it does not cost you one cent to have your farm sold by ALBERT L. TEELE'S FARM AGENCY. This is a perfectly legitimate proposition, will stand the closest investigation and is based on sound business principles. I invite your banks, and any others interested, to make full inquiries on your behalf.

MR. JOHN E. BARNES,

well and favorable known to the Chestertown public, is now local representative and salesman in Kent and Queen Anne counties for ALBERT L. TEELE'S FARM AGENCY. If you have a farm to sell notify him at once. He will promptly call on you, inspect your farm, take pictures, help you to fix a price that will sell it quickly,—and then watch him turn it into real money for you.
