The Motor Transport Corps

Over in France there are almost 2,000,000 soldiers, who must be kept supplied with all kinds of fighting materials as well as clothes and food and other supplies, and it is the duty of the Motor Transport Corps to keep those supplies always moving forward in the big army trucks.

So huge has become the task that it has become necessary to increase the personnel of the Motor Transport Corps by 30,000 men, and the Corps is now appealing to the public to step forward for voluntary induction to fill those 30,000 places.

What is wanted in the line of men is chauffers, automobile mechanics and mechanics and workmen of all other kinds. Those who can drive the trucks will be placed on the truck trains, while the mechanics will be placed in the big shops in France to keep the trucks running.

Arrangements are being made for Inspector C. M. Porter, Lieut. A. P. Estes, Lieut. Clarence Pavelka and Lieut. E. J. Mudd to leave Baltimore in an army automobile and tour the state to explain the work of the Motor Transport Corps to the men of every community.

Application for individual induction can be made to Inspector Porter, Motor Transport Corps, Sun Life Bldg., Baltimore, or to Camp Holabird, near Baltimore.

The Proof That Chestertown Readers Cannot Deny

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

S. F. Robinson, stationary engineer, Front st., Chestertown, says: "I was troubled with my kidneys and suffered from back aches. The most annoying trouble was irregularity of the kidneys. I used Doan's Kidney Pills and they gave me entire relief." (Statement given May 27, 1911.)

On August 15, 1916, Mr. Robinson added: "I have had no kidney trouble since I was cured."
