What is the difference between an OCULIST and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.

NEW FOOD REGULATIONS

No More Victory Flour—To Increase Sugar Allowance From 3 to 4 Lbs.

Victory bread, the war bread of the United States, is no more a necessity. No substitutes are required in bread. The housewife is also relieved of the restriction requiring purchases of substitutes with all purchases of flour. The two ounces of bread to a consumer in restaurants, etc., remains in effect.

The action of the Food Administration, it is announced, is due to the fact that the accumulated stocks of wheat in Australia, India and South America are now available. There is also a dearth of foodstuffs for cattle, and the substitutes are needed to feed the stock. It had originally been intended that the 80-20 rule affecting wheat products should not be lifted until January 1.

The sugar ration will be increased from three ot four pounds per person beginning December 1, due to the increase in the beet sugar producing states and the cane-producing territory of Louisiana.

THANKSGIVING SOCIAL

A Thanksgiving social for the benefit of the Still Pond Red Cross will be held at the home of Mrs. Wm. Medders, chairman, commencing at 7.30 p. m. Games and other amusements will be had. The cause is a worthy one and all who can should attend. Admission 50 cents; children, 25 cents.

Bishop L. B. Wilson was re-elected president of the Board of Foreign Missions of the M. E. Church last week. Other officers were re-elected, including Dr. Frank M. North, secretary, and George M. Chapter of Accidents

Mrs. Harry Todd, of Galena, was painfully injured about the chest on Sunday afternoon, near Davis Hill, when an auto driven by her husband and an auto driven by Mrs. Wm. King, of Pennsylvania, collided. In the crash the front wheel of Mr. Todd's car was broken down, throwing out Mrs. Todd. The occupants of the other car were also injured somewhat.

Mr. A. L. Beaston, of near Galena, ran into the culvert near his gate in his auto Monday morning and almost ruined his car. No one was hurt.

Mr. Frank W. Fowler, formerly of Chestertown, and brother of Mr. Wm. L. Fowler, was painfully injured last Saturday in Baltimore by being crushed between two street cars. Mr. Fowler, who is a trolley car conductor, was on the track adjusting his line connections when another car ran into him. He suffered a fracture of one leg besides many painful bruises. He was visited on Monday by his brother, Mr. W. L. Fowler, and Mrs. Frank H. Howard.

The Third National Bank To Enlarge

The directors of the Third National Bank at their meeting this week appointed W. B. Copper, W. W. Hubbard and T. D. Bowers a committee to arrange for the improvements to be made to the bank building. An extention of 46 feet will be added to the rear of the present building; the vault will be moved back, a cashier's private office will be provided, the working room will be doubled, the heating plant enlarged and the directors' room will be moved back. If the business of the bank continues to grow in the next ten years as it has in the past ten this bank will be compelled to enlarge again. The success of this bank has been largely due to the fact that all patrons have been treated alike and the cashier and other officers have been courteous and obliging. An architect has been employed and the improvements will begin at once.
