The property has more recently been occupied by Mr. L. H. Wood and family.

This property is reputed to have cost Mr. Aldridge during his life time over $16,000.00. It is one of the most substantial residences in Kent Co., has a beautiful outlook on the river, plate glass windows throughout the entire front of the house and the wood work is exceptional, with electric fixtures installed.

Will sell the property at a bargain, but failing to do this would like to have a good tenant.

What is the difference between an OCULIST and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.

Entertainment.

—OF—

CHARACTER SONGS OF VARIOUS NATIONS

for the benefit of

BOND M. E. CHURCH.

ON TUESDAY EVENING, DEC. 17th

at 7.30 p. m.

By Miss Madeline Davis, of Boston

Speaking of the entertainment given by Miss Davis, the "Times", of Webster, Mass., says:

"Miss Davis' group of songs included Japanese, Indian, Scotch, Irish and Colonial. Interest and entertainment was greatly accentuated by appropriate costuming and easy, natural acting. A varied musical program of a dozen or more numbers by as many writers of different nationalities, presents many moods and is variously appreciated according to the natural fancy of the listener, but with Miss Davis as the delineating singer there was satisfaction for all in voice, phrasing, enunciating, also in dialet, coupled with manner and costumes."
