Totals	$3,771,026.09	$3,225,856.62	$545,169.47

As will be seen by the above statement, the Individual Deposits of the Five Banks of Kent County have increased during the past year $545,169.47. Of this increase the Third National Bank has increased $317,498.81, while ALL other Banks (combined) have increased $227,670.66.

This institution is now the Second Largest Bank on the Eastern Shore. We paid $35,775.54 to our Savings Depositors for Interest on their Savings during the year 1918. At the close of business, January 15th, 1919, our Savings Deposits were $1,106,520.15, larger than ever before in the history of the bank. This splendid showing is made notwithstanding the fact that our Savings Depositors, Patrons and Friends bought through this bank during 1918—Liberty Bonds amounting to $331,950.00.

The Third National Bank has certainly set a high standard for itself in the every-day conduct of its business. We will be pleased to have you call at the bank and talk over your banking matters. Everybody treated alike.

Very respectfully,

PARCELS POST ROUTE

To Be Established From Salisbury To Wilmington—Chestertown To Be The Terminal Point

Mr. Mark J. Mullen, assistant Supervisor of Mails at the Philadelphia office, and Mr. David L. Garbey, of the Fourth Assistant Postmaster General's office at Washington, were in Chestertown Thursday evening and Friday morning investigating the Motor Truck Parcels Post Route which the government is going to establish from Wilmington, Del., to Salisbury, Md., with Chestertown as the terminal point. The service will be absolutely under the control of the U. S. Postoffice Department of the government and two army trucks, to be operated by army men, will be used on the route.

The prime object of this service by the government is to open up a way for the farmers, truckers, chicken raisers, oystermen and fishermen to get their products to the northern markets quickly and at a reasonable rate of transportation. The trucks will be fitted up with departments for the different classes of freigh. There will be a special department for eggs, which will be so constructed as to prevent them from breakage and assure them being delivered in good condition.

The service will start either next Wednesday or Thursday, Feb. 5 or 6.

The following schedule has been arranged: Leave Wilmington at 6 a. m., arriving at Chestertown at 10.45 a. m. Leave Chestertown for Salisbury at 11.05 a. m. Leave Salisbury for Chestertown at 6 a. m., arriving at Chestertown at 1.20 p. m. and leave Chestertown for Wilmington at 1.30 p. m., arriving in Wilmington at 5.20 p. m.

The trucks will stop each way to discharge and receive mail articles at Kennedyville, Galena, Georgetown, Fredericktown and Cecilton. There are two routes from Chestertown to Salisbury, one via Denton and the other via Easton, but we have not learned which one of these routes will be selected, but Church Hill will be a stopping point, no matter which route is used.

The distance from Wilmington to Salisbury is 90 and 2-10 miles, and there will be no change in the present postal rates from any of the points touched by these trucks from those now in effect.

Messrs. Turner & Son's garage has been chosen as the base for the gasoline and storage for the trucks. An additional truck will be kept there to provide for breakdowns and other emergencies.

The establishment of the above government parcels post system has been a long felt need through this section and will be a great convenience to shippers along the entire route.

More Names For Honor Roll

The following additional names have been given to us for the Kent County Honor Roll:

WHITE
Hulbert Townsend.
Harold Walton Redmile.
Julian Coleman.
John W. Barroll.
Curtis T. Kelley.

In our last issue Walter A. Clayton's name was erroneously grouped with the colored soldiers. It should have been with the white list.

COLORED
Wesley O. Jenkins.

—Messrs. Clarence Newsome, of Betterton, and W. L. Newsome & Co., of Chestertown, agents for Kent Co., of the Chevrolet automobile, have an advertisement in this issue of The Transcript for this well-known car. This auto is a good one and has proved highly satisfactory to Kent County autoists.

—Church Hill is to have another garage. Last week J. L. Tatman purchased from Woodland P. Finley the Todd property on Walnut street and will completely renovate and remodel the structure. Mr. Tatman was formerly with the garage and automobile business conducted under the name of J. L. Tatman and Co. This company has been taken over by Mr. H. D. Massey, who will continue the business.

—By an almost unanimous vote of both the Senate and the House, the widow of Ex-President Roosevelt is to receive a pension of $5000 a year. Mrs. Roosevelt is a wealthy woman, yet she receives a pension of $5000 a year. At the same time there are a number of Kent county widows who we could mention, and who are in dire need of the money, but are unable to secure a paltry pension of $25 a year.

—Mr. Merrick Clements attended the meeting of the Eastern Shore Society in Baltimore yesterday.

BARRED PLYMOUTH ROCK EGGS

The season is about here to begin hatching the early chicks, and they are the ones that make the money for you.

Never before have I had such good breeders as this year. I have six new cockerels from the best Barred Rock Farms in the country, which insures that my high-grade eggs of the past will be as good—and perhaps better—than ever before.

Corn Shellers.

We still carry in stock that easy-running, two-hole Buchs Sheller. After 12 years selling it, we still say there is not an easier running or better sheller on the market for the money.

Feed Mills.

The NEW HOLLAND has the largest grinding capacity for the size of plates. There never was a time when it was as necessary to make your corn go further, on account of the short crop, and high price. Then every authority on agriculture will tell you stock does better on ground feed. We have these mills in stock in two sizes.

Wood Saws.

We have a liberal stock and our SAW FRAMES are so well known now that it is useless for us to use space to describe them. Extra Blades 26 inches and Extra Balance Wheels is you wish them.

Pipe and Pipe Fittings.

We carry Pipe and Fittings from 1-8 inch to 1 1-2 in. Call on us when you need anything like this.
