As will be seen by the above statement, the Individual Deposits of the Five Banks of Kent County have increased during the past year $545,169.47. Of this increase the Third National Bank has increased $317,498.81, while ALL other Banks (combined) have increased $227,670.66.

This institution is now the Second Largest Bank on the Eastern Shore. We paid $35,775.54 to our Savings Depositors for Interest on their Savings during the year 1918. At the close of business, January 15th, 1919, our Savings Deposits were $1,106,520.15, larger than ever before in the history of the bank. This splendid showing is made notwithstanding the fact that our Savings Depositors, Patrons and Friends bought through this bank during 1918—Liberty Bonds amounting to $331,950.00.

The Third National Bank has certainly set a high standard for itself in the every-day conduct of its business. We will be pleased to have you call at the bank and talk over your banking matters. Everybody treated alike.

Very respectfully,

**PENINSULA PARCELS POST A SUCCESS**

**Trips Covered On Schedule Time, And Trucks Heavily Loaded**

The Parcels Post Service from Wilmington to Salisbury started Wednesday and the route from Chestertown to Salisbury will be through Centreville and Easton, with Centreville the terminal point instead of Chestertown, as Centreville is just half way between Wilmington and Salisbury.

The Wilmington Every Evening says:

William Walker, the peninsula motor mail man, returned to the Wilmington postoffice from his initial round trip to Centreville, Md., several minutes ahead of schedule time—which was 7 o'clock—last night, with his big army truck completely filled with mail. He was greeted by Postmaster James J. English, who was elated over the success of the venture and the manner in which the public had patronized the service at the first opportunity.

Walker reported that he made all stops on schedule, found the mail ready at every point and encountered no delays. He found fairly good roads and everything worked smoothly. He left again at 6 o'clock this morning with another consignment of mail for his second round trip.

The lower end of the route, from Centreville to Salisbury, is understood to have been quite as successfully covered and the service as well patronized, proportionately, as on this end. So it looks as if the innovation is already established.

An effort is now on foot to have the route come via Elkton instead of Middletown. If this is accomplished the truck will reach Chestertown about 9.30 and will bring the mail and morning newspapers, thus bringing our mail about two hours ahead of the present service.
