We have rooms with or without private bath and running water. Our hotel is the house of cleanliness and our cuisine is unexcelled in the city. Give me a chance to serve you.

WEDDINGS

A quiet wedding was solemnized January 28 at the Elkton M. E. Church when Miss Ruth Coleman became the bride of Arthur H. Potts, both of Chestertown. The bride wore a gown of blue silk with a coronet of flowers. The ceremony was performed by Rev. G. P. Jones, pastor of the church in the presence of William E. Embert, who was best man. This is a popular young couple and they have many friends both in Queen Annes and in Chestertown.

Miss Violet Ringgold Beck, the popular daughter of the late George and Mrs. Beck, was married Saturday afternoon at 2 o'clock to Samuel C. Emory, a prominent young farmer, living on the Beck farm. The ceremony was performed in old St. Paul's Protestant Episcopal Church by the rector, Rev. Dr. Dickerson. Owing to the recent death of the bride's father, the ceremony was a very quiet one, only the immediate families and a few close friends attending. After a wedding trip they will reside on the farm of the bride's mother in Broad Neck.

Nash Cars At Baltimore Automobile Show Feb. 18 to 22 Inclusive

During the Baltimore automobile Show to be held in the Armory from Feb. 18 to the 22, inclusive, the Nash cars will be exhibited in space twenty eight, to the left of the main entrance.

The Nash will be of unusual interest to automobiling people of Maryland, as it will embody all the models shown in the New York show, which includes their new two-passenger roadster, their new four-passenger sports model and special show chassis.

The Del-Mar-Va Nash Motors Compand extends a cordial invitation to the people of the Eastern Shore to visit the Nash exhibit and make it their headquarters.

To Install Delco Light.—Mr. J. E. Speicher, local agent, has sold to Mr. A. S. Turner for the Turner garage, one of the largest Delco-Light plants ever sold in this section. Mr. Turner will have a new metal ceiling put in his garage and this in combination with this powerful Delso-Light will make his garage one of the finest and best lighted on the peninsula. It will also enable Mr. Turner to recharge batteries at a nominal cost.

Chestertown, - Maryland.

Corn Shellers.

We still carry in stock that easy-running, two-hole Buchs Sheller. After 12 years selling it, we still say there is not an easier running or better sheller on the market for the money.

Feed Mills.

The NEW HOLLAND has the largest grinding capacity for the size of plates. There never was a time when it was as necessary to make your corn go further, on account of the short crop, and high price. Then every authority on agriculture will tell you stock does better on ground feed. We have these mills in stock in two sizes.

Wood Saws.

We have a liberal stock and our SAW FRAMES are so well known now that it is useless for us to use space to describe them. Extra Blades 26 inches and Extra Balance Wheels is you wish them.

Pipe and Pipe Fittings.

We carry Pipe and Fittings from 1-8 inch to 1 1-2 in. Call on us when you need anything like this.

Yours to serve,
Davis & Satterfield,
Cross Street, near Depot,
Chestertown, - Maryland.
