Third National Bank Buys A. L. Sparks' Large Store Building

The Third National Bank this week purchased from Mr. A. L. Sparks his large building, corner of Main and Cross streets, Chestertown, and will erect thereon a modern banking building. This is one of the finest locations in Chestertown and when the building is completed will be one of the finest on the Eastern Shore. The large and constantly growing business of this bank demands larger quarters and as sufficient room could not be secured at the present bank location it was necessary to purchase another site. Mr. Sparks is to take the present bank property in part payment for his building and will remodel and make of it a modern store room in which to conduct his large dry goods business. In the meantime he will secure temporary quarters, as he is to give possession to the bank May 1. The purchase of the Sparks' building will necessitate the Candy Kitchen Co. seeking other quarters. This firm has enjoyed a large and prosperous business for years and it is believed the trade will follow them at whatever location they secure. The price paid by the bank for the Sparks property was $25,000.

The building committee of the bank, Messrs. W. B. Copper, chairman, W. W. Hubbard and T. D. Bowers, have been in consultation with bank architects and will shortly have plans and specifications submitted for their new building. The present building will be torn down and an entire new structure built. The work of tearing down will commence as soon as possession can be gotten, which will not be later than May 1.

CHURCH NOTES

Chestertown M. E. Church, Rev. T. F. Beauchamp, pastor. Sunday services: 10.30 sermon by the pastor, "God's Portion"; 2.15 S. S.; 7.00 Epworth League service followed by a sermon by the pastor.

At the quarterly conference of Bond and Mowbray Chapel Churches a unanimous request was made for the return of Rev. E. B. Gardner for the third year at an increase in salary. Rev. Mr. Gardner is one of the best preachers in the county and is very popular with his congregation.

About twenty members of the Methodist Protestant Church on the Eastern Shore met in Easton on Thursday, when they decided to assist in the project of financing the erection of a $50,000 church in Wilmington. Two meetings were held, after which a dinner was served by the Easton members.

The Wilmington M. E. Conference, which meets in Chestertown next month, will be royally entertained by the local people, who look forward to its coming with a great deal of pleasure.

No preaching services were held in the Chestertown M. E. Church last Sunday. Dr. Beauchamp was quite sick on that day.

A good crowd heard Dr. Warner, a returned missionary from India, give an illustrated lecture at the Chestertown M. E. Church Monday evening on foreign missions. This was one of the educational meetings in behalf of the Centenary Movement of the Methodist Episcopal Church and no admission was charged. Dr. Warner is a man of power and a good speaker, while the views that were shown were extremely interesting. He took his audience around the whole world of foreign missions from America to Europe, Asia, Africa, South America and the islands of the sea. He showed the squalor that ignorance brings the races to, and showed the difference when the downtrodden races of the countries were touched by the spirit of Christianity. He showed that civilization inevitably follows in the wake of the Christian religion and that where the Cross is planted the people begin to clean up the country and to build a substantial civilization around it.

Services at Bond Chapel next Sunday: S. S. at 10 p. m.; preaching at 11 p. m. by Rev. Edwin Gardner.

Christ M. P. Church, Rev. J. L. Ward pastor. Sunday services: Morning worship, "Christ In The Heart," 10.30 a. m.; S. S., F. G. Usilton, Supt., 2.30 p. m.; Christian Endeavor, Mrs. J. L. Ward, leader, 6.45 p m.; evening worship, "The Family of Procrastinators," 7.30 p. m.; Junior Endeavor, Thursday 4.00 p. m.; prayer meeting, Thursday 7.30 p. m. Intermediates Friday 7.00 p. m.

Corn Shellers.

We still carry in stock that easy-running, two-hole Buchs Sheller. After 12 years selling it, we still say there is not an easier running or better sheller on the market for the money.

Feed Mills.

The NEW HOLLAND has the largest grinding capacity for the size of plates. There never was a time when it was as necessary to make your corn go further, on account of the short crop, and high price. Then every authority on agriculture will tell you stock does better on ground feed. We have these mills in stock in two sizes.

Wood Saws.

We have a liberal stock and our SAW FRAMES are so well known now that it is useless for us to use space to describe them. Extra Blades 26 inches and Extra Balance Wheels is you wish them.

Pipe and Pipe Fittings.

We carry Pipe and Fittings from 1-8 Inch to 1 1-2 in. Call on us when you need anything like this.

Yours to serve,
