Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

Published Every Saturday Morning at Chestertown, Md.

PRESIDENT WILSON is due to arrive in Boston Tuesday next, Feb. 25, where he will make his first speech on the League of Nations.

THE Army Engineer Department has declined to assist in the proposition to bridge the Chesapeake Bay and has placed the expense and responsibility on the state of Maryland. The proposition has received some heavy jolts recently. The Baltimore City delegation is opposed to the project.

A meeting of the Maryland branch of the League to Enforce Peace held a luncheon at the Southern Hotel, Baltimore. Thursday, when plans were formulated for the work in the counties of the state. Rev. S. S. Hepburn and Mr. and Mrs. W. W. Hubbard were present from this county.

Resolutions On The Death Of Judge Simpers

The Associate Judges of the Orphans Court for Kent County, wishing to express their sorrow and loss because of the death of Chief Judge John H. Simpers, do therefore

Resolve, That in the death of Judge Simpers the Orphans Court and the people of Kent County have lost a faithful, industrious and efficient official, whose services in this court have invariably been marked by the highest endeavor to perform his duties impartially and with the highest ideals of right and justice; and his honesty, integrity of character, attention to his duties and capabilities, inspired a confidence and respect of the whole community and the warm esteem and friendship of his associates.

Resolved, That these resolutions be recorded among the minutes of the Proceedings of this court, printed in the county papers and a copy sent to the family of the deceased.

EDWARD A. SCOTT,
J. HENRY THOMPSON,
Judges of the Orphans Court.

BETTERTON ITEMS

The revival services that have been in the M. E. Church for the past two weeks have been well attended and the whole church has been greatly revived. On Sunday afternoon at the S. S. service 22 boys and girls, aged 13 to 17, consecrated their lives to God. On Monday, Tuesday and Wednesday evenings, Rev. Goodhand, the pastor, was ill, but most helpful services were held, being in charge of Mr. William Krusen.

A meeting was held on Tuesday afternoon at the school house in regard to repairing the road between Betterton and Still Pond. This is the first road in Kent county that was built under the Shoemaker Act and it is in very bad condition.

Mr. Howard Owens has had a Delco lighting system installed in his store.

Mr. Charles Brice has purchased a new auto truck.

Misses Myrtle Pinder, Alta Price and Mr. Arthur Brice, the trio from the play recently given at Betterton, have been singing at the Farmers' Institute meetings that have been held in the county this week.

Mr. Lloyd Johnson, who has been doing oversea service for the past six months, has been honorably discharged and is visiting Mr. and Mrs. A. P. Emerson.

Miss Myrtle Pinder is visiting friends in Philadelphia.

Mrs. Bayard Crew is spending the week with Mrs. Edgar Hurlock at Church Hill.

Capt. and Mrs. Lewis McDade, who have been spending the winter in Baltimore, have returned to their home in Betterton.

Of Interest To Motor Car And Motor Truck Dealers

Col. Edwin F. George, Washington, D. C., chief of the motors branch of the Purchase, Storage and Traffic Department of the army, recently said the Government had completed plans for the utilization of every motor car, motor truck and tractor now in the service, and that in no event would machines be placed on public sale. To a representative of Motor World, Col. George said the War Department would first decide upon the number of machines required for the permanent army organization. The remaining trucks will be turned over to the Postoffice Department and other Government departments. What trucks that remain would be placed at the disposal of each state for agricultural or National Guard purposes.

PERSONAL AND SOCIAL

Other personals on page 2.

Mrs. Hallie R. Gooding, who has been spending part of the winter in Baltimore, has returned.

Mr. Claude E. Truslow visited his brother, Mr. Neal Truslow, in Wilmington several days last week.

Mr. Norman E. Peterson, of Chestertown, has accepted a position with the Harford Democrat, Bel Air, and will leave today for his new position. Mr. Peterson was one of the first young men to enlist when President Wilson called for volunteers.

A birthday party will be held at the home of Mr. and Mrs. Edgar Pyle on Calvert street, Chestertown, this, Saturday evening, in honor of the former's birthday.

—A pigeon shoot was held on Thursday at the "Pine Lawn" farm, the home of D. Edgar Hurlock, near Church Hill. Five hundred blue rocks and three hundred live pigeons furnished sport for the occasion. The affair was held under the auspices of the Church Hill Gun Club.

—One of the features of the basket ball game at Washington College on last Friday night between Washington College and St. John's was the W. C. band. Aided by this band, an enthusiasm was created by the students that hardly has a precedent in the history of the college.

—The literary meeting was held at the Chestertown High School Thursday afternoon and included a debate by four young men from Washington College, subject, "Resolved, That a Bay Bridge Shall Be Built to Join Baltimore and the Eastern Shore."

NASH

QUICK AND ECONOMICAL TRANSPORTATION

A FEATURE of Nash trucks is the automatic locking differential which practically prevents loss of traction by the spinning of the truck's driving wheels. It lets Nash trucks make surer and safer deliveries.

Although Nash trucks are less than two years old, they are already being used by such concerns as: The American Steel Foundries, The Standard Oil Company, The Palmolive Company, Morris & Company, and others.

CHEVROLET

For Economical Transportation.

A Chevrolet "Four-Ninety" Touring Car is a profitable investment, for it yields substantial dividends in efficient service.

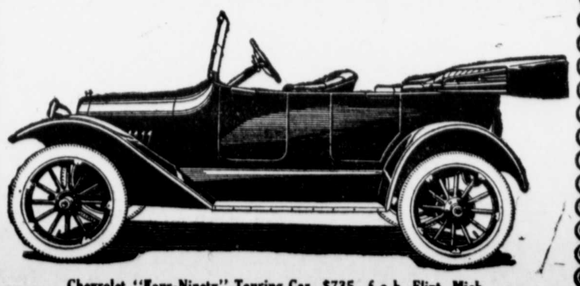

It is a safe investment for the excellence of its construction protects its utility.

It is an attractive investment, for th body has a beauty and richness of finish quite unusual with cars of its price.

It is an economical investment, for its first cost is modest and its upkeep low.
