CHURCH NOTES

The many friends of Dr. L. E. Barrett, the former popular pastor of the Chestertown M. E. Church, will be glad to know that he will resume preaching after the coming conference which meets here next month.

Dr. T. F. Beauchamp was in his pulpit again on Sunday, after an absence of two Sundays. Good crowds attended the services and heard good sermons.

That Kent county Methodists are heartily endorsing the great Centenary Movement, was evidenced this week by the activity along all lines calculated to give the world-wide plan the greatest possible impetus. The joint Centenary movement of the Methodist Episcopal Church and the Methodist Episcopal Church, South, rapidly is gathering momentum. Everywhere throughout the country, in every conference and district, great rallies are being held.

The W. C. T. U. county executive will meet with the Chestertown Union at the Red Cross Chapter House on Wednesday, March 5, at eleven o'clock. Business of great importance requires the presence of every member. All W. C. T. U. Women are cordially invited.

The Kennedyville W. C. T. U. will hold a jubilee meeting for the ratification of the prohibition amendment at the Kennedyville M. P. Church on Sunday, March 2, at 7.30 p. m. Everybody invited.

Lent begins next Wednesday, March 5th.

The members of the By-Kota Club have planned to furnish flowers for the M. E. Church either a potted plant or cut flowers every Sunday. Also to send them after being used on the Sabbath to some sick member of the church or some "shut in."

Next Wednesday, March 5, will be Ash Wednesday, the first day of Lent. The services in Emmanuel Church will be as follows Ash Wednesday: 11 a. m and 4.30 p. m. and on Tuesdays, Wednesdays, Thursdays and Fridays at 4.30 p. m.

Labor Question Discussed

The farmers of Kent County met in the Court House, Chestertown, on Tuesday afternoon to discuss the labor conditions in Kent and the tomato outlook. The meeting was called to order by County Agent L. L. Burrell. On motion, Mr. E. A. Corey was elected chairman of the meeting and Mr. C. Romie Skirven was elected secretary. The labor question was thoroughly discussed by Messrs. Hepburn, Corey, Willis and Rash. An interesting talk by Mr. Brinkley, of the Bureau of Farm Mgt., Washington, on labor conditions was given. Mr. A. L. Harris gave figures showing difference of a man working by the day and one working by the month. On motion of Mr. H. C. Willis, which was seconded, he held that the farmers could afford to grow tomatoes for 35c per basket. On motion of Mr. Willis, which was seconded, a committee was appointed to represent Kent County at any meeting of the Peninsula or Interstate Tomato Growers Associations, as follows: H. C. Willis, John Clendaniel, Arthur Harris. A motion of Mr. A. L. Harris, which was seconded, was to the effect that under the existing conditions he considered it erroneous to grow tomatoes for open market and recommended that none be grown unless the framers could get a satisfactory contract. On motion of Mr. A. L. Harris, which was seconded, the officers elected on Tuesday are to remain in office the balance of the year.

C. H. S. Invited To Interscholastic Meet

Arrangements are now well under way for the Annual Interscholastic Track Meet to be held at Tome on May 17. Provisions are being made to accommodate the largest crowd and greatest number of contestants ever gathered here on a similar occasion. It is the purpose of the committee in charge to so arrange the many events that schools of all classes may have equal opportunities.

It is frequently the case in contests of this kind that only the larger schools make creditable showings. Realizing this fact, the committee is taking especial care in outlining the events for the County High Schools. All events this year will be open to these schools; the County School Championship, however, will rest on the 70, 220 and 880 yard dashes, mile relay, broad jump and shot put. These events are to be exclusive for county contestants. For all events suitable awards such as placques and medals will be given.

Chestertown High School has been invited to attend the meet this year. Until the time of the meet, all schools will be regularly furnished with the necessary information for contestants, the prospects of the meet and the development of the plans.

Springtime In Kent County.—While Kent county has had very little weather that can be called real winter, according to the calendar spring is about two weeks off. Here's what a well-known poet says about the approaching season: "When the trees begin to blossom, and the violets to bloom; when the bull-frog in the meadow warbles boom-ah-boom ah-boom; when the ducks are flying northward, and bright butterflies are out, when the robin goes house-keeping in the broken water spout; when grasshoppers are hopping, and black bats come out at night, and venture in your bed-room attracted by the light; when birds fly down the chimney, and hens walk in the door, beetles hold conventions in the center of the floor; when the mud is o'er your shoe tops as you cross the new ploughed land—you may count on it as certain sweet spring is near at hand."

—President and Mrs. Wilson arrived in Boston early Monday morning and the President made one of the greatest speeches of his life in that city that afternoon.

"Your Nose Knows"

All smoking tobaccos use some flavoring. The Encyclopaedia Britannica says about the manufacture of smoking tobacco, "... on the Continent and in America certain 'sauces' are employed ... the use of the 'sauces' is to improve the flavour and burning qualities of the leaves."

Tuxedo uses *chocolate*—the purest, most wholesome and delicious of all flavorings! Everybody likes chocolate—we all know that chocolate added to anything as a flavoring always makes that thing still more enjoyable. That is why a dash of *chocolate*, added to the most carefully selected and properly aged burley tobacco, makes Tuxedo more enjoyable—

"Your Nose Knows"

Try This Test: Rub a little Tuxedo briskly in the palm of your hand to bring out its full aroma. Then smell it deep—its delicious, *pure fragrance* will convince you. Try this test with any other tobacco and we will let Tuxedo stand or fall on your judgment—
