THE TRANSCRIPT

Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

Published Every Saturday Morning at Chestertown, Md.

IN speaking of Presidential candidates, Chairman Norman E. Mack, of the Democratic National Committee, says:

"Wilson is not a candidate, but such matters are beyond his control. There is no doubt that the public will insist that he be nominated."

JUDICIAL APPOINTMENTS

Governor Harrington on Wednesday, as was expected, appointed Judge W. H. Adkins, of Talbot, an Associate Judge of this circuit to be Chief Judge to succeed the late Judge Albert Constable, and Lewin W. Wickes, Esq., a member of the Kent county bar, an Associate Judge in place of Judge Adkins. Mr. Wickes' appointment gives Kent county a judgeship, which it has not had since the retirement of Judge Pearce from the bench about 7 years ago. He was endorsed for Chief Judge by every Democratic member of the Kent bar.

The appointment of Judges Adkins and Wickes holds good until the election in November when they will be candidates for election. There are some rumors of these gentlemen having opposition in the primaries next September. It is thought by some that State Senator Omar D. Crothers, of Cecil, will be a candidate for Chief Judge and T. Allen Goldsborough, of Caroline, a candidate for Associate Judge, but there is nothing definite known at this time.

CHURCH NOTES

One of the features of Conference week—to the public—will be the sermon by Bishop McDowell in the Chestertown M. E. Church Sunday morning, March 31. Bishop McDowell is a man of power and those who want to hear him will have to go early to get in.

Rev. R. H. K. Gill, a former student of Washington College, is now stationed at Darlington, Md. Rev. Gill is well known here and gained some prominence recently by the publication of a religious book.

Owing to the shortage of ministers it is suggested that a change be made in the map of the Wilmington Conference so as to provide for but three districts instead of four as at present. In this event one of the present district superintendents would go back into the Conference and be assigned a pastorate. This will be taken up at the Conference.

Chestertown people are all ready for the arrival of the Wilmington Conference preachers next week. It is nedless to say that the "fatted calf" will be killed and no stone left unturned to give the visiting preachers a royal entertainment.

Chestertown M. E. Church has been thoroughly cleaned and put in fine shape for the Conference next week. The church will be taxed to its utmost capacity to accommodate the Conference and it will no doubt be too small at times to do so conveniently.

The quota assigned Christ M. P. Church in the campaign to raise $1,000,000 under the Forward Movement plan, is $960, or $240 a year for the next four years.

At the 4th quarterly conference of Christ M. P. Church Rev. J. L. Ward, the pastor, was given a bonus on salary of $200, and the salary for the coming year fixed at $1500.

Dr. Sumwalt, pastor of Grace M. E. Church, Wilmington, will preach in the M. P. Church next Sunday week, while Bishop McDowell is filling the pulpit of the M. E. Church. Dr. Sumwalt is said to be a preacher of power and a large crowd will no doubt hear him.

Last Sunday Chestertown M. E. Church celebrated the 100th anniversary of the Missionary Society in the evening. A delightful program was rendered. Collection for the night was $367.27; collection for the year $549.31; presentation of banner to primary department by Mr. J. N. Bennett. The three highest classes and amounts for year follow: Primary, night, $102.52, year, $122.25; Bible, night, $47.10, year, $80.01; Mrs. Creasy, night, $36.55, year, $51.00. The collection is the largest in the history of the school.

Chestertown M. E. Church, Rev. T. F. Beauchamp, pastor. Sunday services: 10.30 a. m., sermon by the pastor, "Building Battlements"; 2.15 S. S.; 7.00 p. m., Epworth League and sermon by the pastor.

Christ M. P. Church, Rev. J. L. Ward, pastor. Sunday services: Morning worship, "Salvation to The Uttermost," 10.30 a. m.; S. S., F. G. Usilton Supt., 2.30 p. m.; Christian Endeavor, Mrs. Earle Barnes, leader, 6.45 p. m.; evening worship, "The Cities of Refuge," 7.30 p. m. Junior Christian Endeavor Thursday 4.00 p. m.; Intermediates Friday 7.00 p. m.

PERSONAL AND SOCIAL

(Other Personals on page 2)

Miss Margaret Wright, daughter of Mr. and Mrs. Edward Wright, and Mr. Howard Middleton, son of Mr. and Mrs. Daniel Middleton, of near St. Paul's, were married at the M. E. parsonage by Rev. H. D. West on Mar. 2.

Sergeant Merritt Brown writes that he expects to be home about the middle of June, but don't know anything definite about it.

Mr. Edward Newsome is attending a special session of the Modern Woodmen in Chicago.

Mr. Walter U. Lusby has entered a Baltimore hospital for treatment. We hope to soon see Mr. Lusby back in Chestertown fully recovered in health.

The stork visited the home of Mr. and Mrs. Adam B. Schauber last Tuesday morning and left them a fine boy.

Mrs. Sincoe, of North East, is the guest of her sister, Mrs. Lofland.

Mrs. Paul Wilkinson is the guest of her mother, Mrs. Mary Aldridge.

Mrs. William Jarrell is spending some weeks with Mrs. Joel Clements.

Miss Bryant, who gave a very interesting talk to the Red Cross on last Monday, was the guest of Mrs. Jane Robinson while in town.

Mrs. Jessie Graham and little son, James, spent several days last week with Dr. and Mrs. J. E. Graham. Mr. Jessie Graham has been sent to Southern California on business for the government.

Miss Janie Cooper has been visiting friends in Baltimore.

Grange Notes

In spite of a very stormy evening, Fairlee Grange held its special meeting Wednesday, March 19, and had a fine time. After a short business session, a bountiful supper was served, which was a most enjoyable affair. Among the visitors to supper was Dr. Clarke. The literary program was unusually interesting. We had two solos by Mrs. Byrd, which were enjoyed so much by the whole Grange. Dr. Clarke gave us a dialect reading, in his most pleasing manner, which caused much laughter, and we hope Dr. Clarke will come to see us soon again. We forgot the stormy evening in listening to Dr. Clarke's impersonation of the "Old Darkey." After a reading by Mrs. M. P. Lee and another song, Dr. Clarke gave us a short talk on school work, also the Towner bill. Closing song, "Maryland, My Maryland."

MRS. H. W. ANDERSON,
Press Correspondent Secretary.

"HEARTS OF THE WORLD" COMING

"Hearts of the World," the D. W. Griffith production that required eighteen months in the making and which is declared to be the masterpiece of this dramatic genius, surpassing both "The Birth of a Nation" and "Intolerance," will be the attraction at the Lyceum Theatre, Saturday March 29.

That "Hearts of the World" has established a new high record for even a Griffith production may be gained from the fact that it has been shown in Chicago, New York, Boston, Philadelphia and other cities upwards of more than six hundred times at $2.00 prices. That it is a most unusual achievement is evident from the announcement that David Lloyd George and other high officials of the British and French nations not only gave Mr. Griffith their most hearty co-operation in the taking of the principal scenes, but personally appear in the play.

Contrary to the general opinion, this latest of the Griffith works is not a war play. It is described by Mr. Griffith himself as "The sweetest love story ever told." It was written by Gaston de Tolignac and translated from the French by Captain Victor Marier. The story is in two parts, the first revealing the life of an ordinary French family before the war and the second the experiences of these people when the great conflict ended in victory for the allies.

The majority of the scenes in "Hearts of the World" are described as great moving paintings that might have been conceived by the world's greatest artists, their beauty and grandeur far excelling anything ever before attempted even by the master hand of the indomitable Griffith.

PRIVATE SALE

Registered Holstein Heifers, Cows and Stock Bulls

SATURDAY, March 29th, 1919

AT MY STABLES, IN CECILTON, MARYLAND

I will have a carload of Registered Heifers and Stock Bulls, etc. The Heifers are 2 and 3 years old, all heavy with calf, and are out of A. R. O. cows, and by the very best sires. The Bulls are the very best that money would buy. I have bought and expect to handle this year, Registered Holsteins of better breeding than ever before. Come and look over some good cattle.

If you do not want to buy outright, I will deal you on any kind of cattle you want to dispose of. I will trade Stock Bulls or large Bulls.

I will be home all day, Saturday, March 29, 1919, to do business with you.

JOHN ANDERSON.

A poultry dinner will be served for the benefit of Galena school.

"Hurrah! Dad Got the Whole Avery Outfit"

WHEN the "whole Avery Outfit" arrives on your farm you can say good-bye to a lot of expense and look forward to bigger crops and more profits. Your work will be easier and more interesting.

The "Whole Avery Outfit" Will Give You

an Avery Tractor for doing your heavy work, such as plowing, preparing the seed bed, harvesting your grain crops, and road work,—

an Avery Motor Cultivator for planting and cultivating your corn, beans, cotton, and other row crops,—

an Avery Grain-Saving Separator for threshing your grain, clover, kaffir corn, rice, etc., and putting it where it belongs, in the wagon box and not in your straw stack,—

an Avery Plow in either light or heavy style to fit the soil conditions on your farm.

Power For Every Size Farm

Avery Tractors are built in six sizes. You can get a size Avery Tractor to exactly fit your size farm. The five sizes from 8-16 h. p. to 40-80 h. p. fit all farms from the average up to the largest sizes. The little 5-10 h. p. is built especially for small farms or for doing the light work on larger farms.

You can also get an Avery Plow in any size from two to ten bottoms. Avery Threshers are built in small, individual sizes as well as for large threshing runs.

The Avery is the one complete standardized line of farming, threshing, and road building machinery.

It is built entirely in the Avery factories and is backed with Avery service through Branch Houses and Distributors covering every state in the Union.

The Tractor that turns Kerosene into Gas

You want a real kerosene burning tractor. That is what you get in the Avery. They are the only tractors with a Duplex Gasifier fuel system. It does the trick—turns kerosene into gas.

Avery's are the tractors with the patented sliding frame transmission that makes expensive intermediate gears, shafting and bearings unnecessary. The tractors with the renewable inner cylinder walls. The tractors with the adjustable crankshaft bearings. The tractors with the low-speed tractor motor specially designed for field work or belt work, etc.

Write for the Avery Catalog The Avery catalog shows the complete Avery line of motor farming machinery in their natural colors and gives you valuable facts on motor farming. Let us put you in touch with the nearest Avery dealer. Address

WESTCLOX

You'll have to get up early to beat a Westclox alarm. It will get you up any time you say and keep good time all day.

Westclox is a short way of saying Western Clocks. The word Westclox, is on the dial of every alarm we make. We put it there because we're proud of the quality we build in the clock. Every Westclox alarm has the same good construction that made Big Ben and Baby Ben so popular.

Folks who become acquainted with Westclox quality look carefully for the word Westclox on the dial and tag. It is the mark of good timekeeping. Prices $1.25 to $3.00.
