CHESTERTOWN has been honored this week in having assembled here a large body of distinguished Christian workers—the Wilmington M. E. Conference—who have received a hearty and cordial welcome from our citizens. This body of men are here for the furtherance of the Christian uplift of humanity. They have not assembled here as a body of men seeking worldly pleasures and selfish ends, but have assembled here as soldiers of the Cross, and, indeed, there never was a time in the history of the world when their valiant services were more needed than now. The spirit of unrest is upon the entire earth and man's personal responsibility to his God will be the largest factor in bringing peace to the troubled world. Their help and prayers are much desired among us and we welcome their coming and regret their departure.

CHURCH NOTES

St. James M. P. Church Sunday, March 30. Sunday School at 10 a. m.; preaching at 11 by Rev. W. D. Hubbard, of the Wilmington Conference; Sunday School at Lynch at 2 p. m. and preaching by Rev. C. W. Moore, of the Wilmington M. E. Conference, at 3 p. m.

Regular monthly meeting of the W. C. T. U. next Wednesday, April 2, at the Red Cross Chapter House, at 11 a. m. Members are urgently requested to be present as business of importance will be taken up.

Christ M. P. Church is particularly fortunate in having two very distinguished Methodist Episcopal clergymen to fill the pulpit tomorrow, Sunday, in Dr. Sumwalt and Dr. Hubbard. The former is pastor of Grace Church, Wilmington; the latter is pastor of St. Paul's Church, Wilmington. These are the two most prominent churches in the Wilmington Conference. While the sermon of Bishop McDowell will, of course, hold the center of the religious stage in the morning at the M. E. Church, those who hear Dr. Sumwalt will, no doubt, hear a great sermon.

While the interest of the Eastern Shore is naturally centered upon this town as the seat of the sessions of the Wilmington Conference, it will be interesting to note that the Maryland Annual Conference of the M. P. Church will hold its annual session in Lowe Memorial Church, Baltimore, on Wednesday, April 2, with Dr. L. E. Warner, the president of the Conference, presiding. Rev. W. A. Melvin is pastor of the church where the Conference will be held. It is believed that Dr. J. L. Ward, who is pastor of the M. P. Church here, will return next year.

Dr. T. F. Beauchamp preached what was probably his last sermon here on Sunday evening. Dr. Beauchamp stated that the financial condition of the M E. Church was in first class condition and perhaps had never been better in the past. Dr. Beauchamp and family have made many friends here during their stay of three years who will regret to see them go. Dr. Beauchamp has been a hard worker, and not only has the M. E. Church prospered during his pastorate, but the religious life of the whole community also has been quickened by his efforts along many lines.

Bishop Adams has received from Monell Sayre, secretary and manager of the Church Pension Fund of the Protestant Episcopal Church a statement of the operation of the Fund. He pointed out to the bishop that the amount of annual grants of the fund make it one of the half dozen largest pension-granting corporations in the world. The Protestant Episcopal Church contributed in two years $1,181,057.76 for the protection of its clergymen through the Church Pension Fund. This was the amount of the assessments paid into the fund by churches throughout the country at the close of the two years of operation just ended. Mr. Sayre has announced that this total of $1,181,057.76 was 98½ per cent of all possible assessments payable on the salaries of Episcopal clergymen in the United States and foreign missionary fields. Seven and one-half per cent of all salaries, which is the assessment rate, would amount to $1,200,000 for the two-year period. The Church Pension Fund began operation on March 1, 1917, with $8,712,000 raised in a campaign for $5,000,000 to protect clergymen then in office. The fund embraces 8,000 parishes scattered throughout the United States and foreign missionary fields, and more than 5,000 clergymen who are protected by old age pensions, disability allowances and benefits for their widows and orphans.

Dr. L. E. Barrett has announced that he desires to be placed on the supernumerary list of preachers this year, thus retiring from active pastoral service temporarily in order to recuperate his health. Thus there is removed from the religious life of the Peninsula a man who has had a long and useful career in active service of the church and one of the most prominent figures on the Peninsula. Dr. Barrett is well known to nearly every church goer in the conference and his temporary retirement is greatly regretted by all, with the hope that he may soon recuperate his health and secure a regular charge again. Dr. Barrett will, no doubt, be seen in the pulpit many times this year. He is a pulpit orator of recognized ability and has few superiors. We are glad to state that Dr. Barrett will make his home in Chestertown. Rev. J. P. Otis, another well-known pastor of the Eastern Shore, has retired from the pulpit.

Mrs. W. B. Coleman, of Chestertown, has three nephews who are ministers attending conference in Chestertown this week. These gentlemen are: Rev. Omar Jones, of Lewis, Delaware; Rev. Clarence Jones, of Clayton, Delaware; and Rev. John Jones, of Wilmington, Del. They are brothers and were formerly of this section. All three have been asked to return to their present charges for another year.

Christ M. P. Church, Rev. J. L. Ward pastor. Sunday services: Preaching by Rev. J. M. R. Sumwalt, D. D., of the Wilmington Conference, 10.30 a. m.; S. S., F. G. Usilton, Supt., 2.30 p. m.; preaching by Rev. C. L. Hubbard, D.D., of the Wilmington Conference, 7.30 p. m. Everybody welcome.

Service at both I. U. and Betterton Sunday at 10.30 a. m. Holy Communion at Betterton. There will be no service at Shrewsbury.

Who will fill the Chestertown M. E. Church pulpit next year is a question of considerable interest these conference days. There are five or six prominent clergymen being mentioned to fill Dr. Beauchamp's place, but we are unable to state who his successor will be at this time.

The Chestertown M. E. Church closed its Conference year with a splendid record. The S. S. reported for missions $591.31 for the year, and all other debts paid. The debt of building the beautiful parsonage has been paid in full, and the church has raised $7000 the past year as follows: Local Budget $2200, Missions $1000, Parsonage $1500, War Work $1200, other benevolences $600; conference claimants $500.

(Other Items on page 6)

Dr. Eldridge L. Eliason, chief surgeon of the University of Pennsylvania unit, has been made a Lieut.-Col. Dr. Eliason was formerly of this town.

Lieut.-Col. H. Staunton Brown, son of Mrs. Hiram Brown, of Brooklyn, N. Y., formerly of Chestertown, left New York last Saturday for Europe at the head of the government commission aircraft business. Col. Brown will be gone several months, dividing his time between Paris and London. Col. Brown is a brother of young Burchinal Brown, who is also abroad with the 122nd Engineers. A farewell dinner was given Lieut.-Colonel Brown in New York on Friday before leaving.

Bigger Crops Grow on Tractor Plowed Ground

Of course you want to raise a bigger crop next year. But the main thing that is troubling you right now is your fall plowing.

It is hard to get enough help and even if you had it the dry weather makes fall plowing a hard job for horse flesh.

Why not get an Avery tractor? Tractor farming with an Avery means bigger crops. With it you can plow early and deep this fall and get your seed bed into the very best condition. Hot weather or hard ground can't stop you and if you need to you can even plow day and night.

An Averyized Farm Brings Success

Avery tractors are in successful operation in all 48 states in this country and in over 61 Foreign countries. They are the tractors with the perfected opposed motors and patented sliding frame transmissions.

Remember, they are built in sizes to fit every size farm and for every kind of work.

Come in and let us talk over the question of raising bigger crops with an Avery Tractor.

WESTCLOX

You'll have to get up early to beat a Westclox alarm. It will get you up any time you say and keep good time all day.

Westclox is a short way of saying Western Clocks. The word Westclox, is on the dial of every alarm we make. We put it there because we're proud of the quality we build in the clock. Every Westclox alarm has the same good construction that made Big Ben and Baby Ben so popular.

Folks who become acquainted with Westclox quality look carefully for the word Westclox on the dial and tag. It is the mark of good timekeeping. Prices $1.25 to $3.00.
