Prof. George Medders, formerly of Kennedyville, and son of Judge and Mrs. John Medders, but for the past several years has been residing in Dallas, Texas, has been visiting his parents and also his brother, Mr. Jesse Medders, of Chestertown. Prof. Medders has just returned from France, he having enlisted last August in War Service in the Y. M. C. A. Branch. His work when he first went to France was teaching the French soldiers English, but for the past seven months he has been teaching the American soldiers to read and write. He stated there was over 750,000 soldiers in our army alone that was unable to read and write and he had a class of 125 to teach. Prof. Medders left Chestertown Thursday morning for his home in Texas and spent a short time with his wife and children, after which he expects to take up education work for the United States Government, as he has been retained by them for this purpose and about the 1st of July he will travel, starting and installing institutions organized and run by this government for better education in our country, especially localities where this has been neglected.

Selling Herring By The Yard.—At last Chester River herring, noted for the multiplicity of bones chiefly, have at last descended to the state of being sold by the yard, and a young farmer of this section recently purchased no less than half a mile of them. He bought 3500 herring to salt down, and an industrious local mathematician has figured out that each fish measured about ten inches in length. This means that, placed head to tail, the fish would cover a distance equal to 35,000 inches. This number of inches reduced to feet equal about 3000 feet, or more than half a mile. Herring are now plentiful and we advise any one who wants to buy a mile or so of them for winter use to see our local fishermen, who can accommodate you.

NOT DUE TO SEX ALONE

Chestertown Women Have Learned The Cause of Many Mysterious Pains and Aches

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well-recommended by Chestertown people. Read this case:

Mrs. Jas. P. Parrott, N. Mill St., Chestertown, says: "My kidneys gave me considerable trouble; acting irregularly. I had spells of dizziness, with black spots before my eyes and was tired and miserable nearly all the time. I used Doan's Kidney Pills and got relief. I keep them on hand and recommend them very highly."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Parrott had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.
