THE UNSEEN SYSTEM

THE telephone that you see before you is a very small part of the telephone system---one of the finger tips, as it were. Most of the telephone plant is invisible.

THOUSANDS of dollars in telephone plant are hidden underground, strung out along the streets and roads and tucked away in central offices. When you talk over a telephone line you have thousands of dollars worth of equipment at your service.

IT is the unseen telephone plant that enables you to send your voice where you will.

ARMY TANK HERE

French War Machine Causes Big Sensation in Chestertown

The small six-ton camouflaged army tank, "Verennes," one of the war machines which did such good work in the war against Germany, arrived in Chestertown on Tuesday morning behind the passenger train and departed Wednesday morning for other parts.

The tank was in charge of Messrs. Walker and Cooney, who said that the tank did good work in the Argonne Forrest, where the United States soldiers made such wonderful history.

A large crowd greeted the tank on its arrival here, as this was the first machine of this character ever in the county. By noon word reached the country people of its arrival and in the afternoon, the hour set for the Liberty Loan meeting, a large crowd had gathered in the square to hear the speakers and view the war machine.

Corporal Walker, after being introduced by Chairman A. A. Harris, gave quite an interesting address on how the American forces saved the day at Chateau Thierry and of the valor of our troops in succeeding battles. Corporal Cooney made a short speech which was followed by a stirring appeal by Mr. L. Bates Russell, editor of the Enterprise.

After the sale of bonds which followed, the crowd, which had by this time swelled to a large gathering, followed the tank to the valley at the northern end of Cross street, where a sham battle between Washington College boys, aided by the tank, took place. Bricks and stones were hurled against the steel sides of the armored war tank, which were either smashed to pieces or rolled harmlessly aside. The tank then did some interesting stunts, such as hill climbing and descending, which greatly interested the Chestertown and Kent county people.

"Call of the Flag" A Big Success

A large crowd was at Lyceum Theatre on Thursday evening and heard the Senior Class of the Chestertown High School in that popular drama, "The Call of the Flag." The young actors and actresses did well and the crowd was greatly pleased.
