ROCK HALL, MD.

Ringling Bros. and Barnum & Bailey Combined

The world's biggest amusement institution, Ringling Brothers and Barnum & Bailey Shows Combined, is to exhibit afternoon and night at Baltimore, Wednesday and Thursday, May 14 and 15.

The consolidation of the "World's Greatest Shows" and the "Greatest Show on Earth" in one circus of colossal size, constitutes the amusement surprise of the country. Nothing to approach this gigantic, new circus has ever before toured America. It has been formed by merging the pick and the cream of all that was biggest and best in the two famous shows. It would be folly to attempt to enumerate its many wonders. Some idea of the enormous scale upon which features are presented may be had when it is stated that a quarter of a million pounds of elephants take part in a single act. In other words—six times as many of the big-eared giants than have ever before been seen in one main-tent exhibition. All else to be seen in proportion. The arenic stars embrace all the world's foremost circus performers. There are three hours of novelties and big sensational acts. The menagerie is far and away the most colossal ever traveled. For instance—a herd of eight giraffes are exhibited in place of the two or three shown in the past. The great tournament which opens the main-tent program, is the most magnificent thing in pageantry yet produced in America. Hundreds upon hundreds of gorgeously costumed characters and beautiful horses take part in it. The morning street parade is the longest and most brilliant ever given anywhere. It is a stupendous, super-circus that baffles description.

The circus will be in Wilmington Friday, May 16.
