Washington College Loses To Mt. St. Mary's and Rock Hill—Other Games

The baseball season in Kent county is now in full swing, as well as all over the country, while the big league season holds the center of the sporting pages of the dailies, which promises to be the most interesting since the war upset things in general.

The Chestertown High School team defeated Easton 13 to 10 on Friday afternoon. Robinson was on the mound for C. H. S.

The baseball team of Drexel Institute will cross bats with the local Collegians this afternoon, Saturday, and a good game is looked for.

The Washington College Preps and the Chestertown High School played an interesting game of baseball on Monday afternoon. The High School team was 7 to 1 in the ninth inning when the Preps went to bat. In this inning they staged a rally that netted them six runs, making the score 7 to 7. In their half of the ninth, however, the High School team put over the winning run. Edward Robinson, the star C. H. S. twirler, was on the mound for the High School team, while Duffy, one of the star W. C. twirlers, pitched for the Preps.

The Chestertown High School baseball team met the Wyoming High School team at the latter place yesterday afternoon at Wyoming, Del.

The Elkton High School team will play the Chestertown High School team here Wednesday next, May 14, at 3.30 p. m. A good game is looked for.

Washington College lost two games last week—to Rock Hill and to Mt. St. Mary's. The one at Rock Hill seems to have been particularly unsatisfactory to the W. C. boys because of poor umpiring, which is said to have cost them the game. The score was 3 to 2. Gordy twirled for W. C., while Perry was on the mound for Rock Hill.

Millington defeated Kennedyville on the latter's grounds Saturday afternoon by the score of 7 to 3. Hanson Horsey played for Millington.

The game at Emmitsburg between W. C. and Mt. St. Mary's resulted in a victory for Mt. St. Mary's by a score of 9 to 2. Lankford started the game for W. C., but was driven from the box in the fifth inning and Gordy finished th game. The batting of Sterling for W. C., and the fielding of Young, for the same team, were among the features of the game.

Maryland State College completely outplayed St. John's College in their annual baseball contest Saturday morning. The score was 7 to 1. The victory was due to the effective pitching of Keene. He allowed the St. John's team only five scattered hits and had a total of 15 strikeouts. The Cadets saved themselves from an application of whitwash in the final inning as a result of a base on balls and a hit and an error.

Impatiently Await Great New Circus

"Circus Day," the big holiday for which young and old impatiently wait at this particular season promises to eclipse all other events of the calendar year at Baltimore, Wednesday and Thursday, May 14-15.

It would seem as though everybody in this locality were planning to attend. The very name of the great new circus—Ringling Brothers and Barnum & Bailey Combined—has been sufficient to arouse far more interest than has ever before been shown in the coming of any amusement enterprise. And word from the Ringling Brothers, who are the directors of this gigantic super-circus, is to the effect that those who attend the performances will witness the greatest program ever presented in America. This is likewise true of the mammoth street parade, which will positively take place show-day morning, the mammoth menagerie and all else connected with this biggest of all amusement institutions. The famous showmen have made a complete survey of both the great circuses and merged the finest and best of each into one. Hundreds upon hundreds of performers will appear in the gigantic maintent. There will be scores upon scores of the cleverest dumb actors. A gorgeousiy costumed pageant, of stupendous size, will open the program. Great companies of characters, representing the best-loved stories of fable and nursery lore, will appear. There will be splendid and many groups of beautiful horses in jeweled trappings. The army of clowns exceed all past records for fun and numbers. All contribute to the biggest circus in history. The Circus will be in Wilmington on Friday, May 16.
