LOCAL MATTERS

Elected Town Council.—The following gentlemen were elected councilmen at the town election in Rock Hall Saturday last: Joseph Apsley, Joseph Downey, Henry Urie, Thomas Joiner and Robert Shallcross.

Big Day At Milk Station.—The milk station at Chestertown had the busiest day in its history on Wednesday. 19,000 gallons of milk were brought to the station by 150 farmers. This is the largest amount ever gotten on the entire road, it is stated. Messrs. Geo. Cooper and Harry Fowler operate the plant.

Gas Plant Crippled.—A tube in the boiler burst at the Chestertown Gas Plant on Tuesday and Wednesday the people of Chestertown were without the convenience of having gas to burn. "Accidents occur in the best regulated families," it is said, and Mr. Paul Adams and Mr. Eli Downey were inside the boiler all Wednesday night trying to repair the damage, so that the people could have gas. By Wednesday night they were making gas again.

Bankers' Association.—The Maryland State Bankers' Association will meet May 20, 21 and 22 at Atlantic City, N. J. The Third National Bank on Wednesday elected Hope H. Barroll, Esq., and W. B. Copper delegates from that bank. The Chestertown Bank of Maryland elected Dr. E. A. Scott, Charles H. Price and Allen A. Harris delegates from the Chestertown Bank of Maryland. Neither the Kent County Savings Bank or the Peoples Bank elected delegates last Wednesday, but will likely do so next week.

Trophy Train Here.—The Trophy Train, carrying trophies secured from the Germans on many battlefields, arrived in Chestertown Wednesday and was here until noon. With the train were three young men, two without arms and one without a leg. These young men were maimed in the battles of the Argonne Forest and the Muese. These trophies represented the supreme efforts of many of our men and were doubtless paid for by American blood. They were very interesting and were seen by many interested people.

Athletic Meet Held.—The Kent Co. schools held their annual athletic meet on the Washington College Athletic Field Thursday afternoon. Chestertown was filled with people from all parts of Kent who were on hand to watch the contests. Many Kent Co. schools are today proudly displaying medals as a result of their athletic ability. Prior to the contests a big parade was held, which contained children from nearly every school in the county. A complete result of the athletic contests will appear in next week's Transcript. Chestertown won the largest number of points—118—while Rock Hall was second with 77.

News of The Bowlers.—There is great interest in Chestertown in the three-cornered bowling contests between the "Fairlee Invincibles," the "Chestertown All Stars" and the Peerless Fertilizer Co. team. The Peerless Company had recently scored a victory over the Invincibles, but last week the latter team defeated them two games by good margins, on Friday evening the Fairlee team being 30 points in the lead. On Tuesday evening the "Invincibles" and the Peerless teams played an exciting contest, the Invincibles winning by 13 points. The Chestertown All Stars and the "Invincibles" locked horns on Wesdnesday evening and when the smoke had cleared away it showed the Chestertown team 53 points in the lead.

Dedication Services.—Large crowds of friends gathered at I. U. and Betterton P. E. Churches Sunday last at the dedication tree services in memory of A Hanson Stavely and Walter Luike. The service at I. U. was held immediately after the morning church services and was conducted by Rev. S. S. Hepburn. R. H. Collins made a brief address at this service of Mr. Stavely as a citizen and Mr. Stokes spoke of him as a soldier and a comrade of war. The service was closed by Rev. S. S. Hepburn, who spoke of Young Stavely as a Christian. The dedication service to young Luike was held at Betterton Sunday afternoon and was also conducted by Rev. S. S. Hepburn. A public subscription was raised to secure an appropriate tablet to mark the grave of this young man.

CHURCH NOTES

Great enthusiasm is marking the campaign now being held by the Methodist Protestant Church to raise one million dollars for Missions, Education Young Peoples Work and the chairitable enterprises of the denomination. May 11 to 21 are the dates set for the drive, but many churches in their eagerness to go over the top could not wait for the official date and have already raised their quota and more. Every church which has made the attempt so far has exceeded its apportionment and all reports from the field are enthusiastic and indicate complete success. Four Flying Squadrons of four men each have visited every corner of the Maryland Conference and presented the matter and nineteen district organizers have the work well laid out and an efficient force ready for the task. Stereopticon views are being used to show the enterprises of the church and much literature is being distributed bearing on the campaign. The churches of the Maryland district are wide awake and will give a good account of themselves. We understand the Chestertown M. P. Church has raised its quota of $5000.

Dr. L. E. Barrett has received a call to the Sudlersville M. E. Church. He will preach in that church tomorrow. District Superintendent Wise and two members of the official board of that church were in consultation in Chestertown with Dr. Barrett Wednesday evening. It is generally believed the Doctor will accept the call, but will give his answer next week. The salary will be $1000 and his pastoral work will be light.

Pomona Choral Club will hold its next meeting at the parsonage at 8.30 p. m. next Tuesday evening. Those who wish to join this enterprising club will do so soon, as new members will not be taken after a stated time.

The Mechanics Hall at Rock Hall is being well filled each evening by an attentive audience as Evangelist Andross presents his series of illustrated Bible lectures. How Long Will it Burn"? Friday, "How To Get Rid of Sin." Seats are free, and all are welcome.

Germany Eliminated as Military Factor

That the peace treaty handed the German peace delegates Wednesday by the Allies eliminates Germany as a military factor in the world for many years is evident to all who have read the peace terms. The scene at the session of the conference when the terms of the treaty were presented to the German delegates was an impressive one, and the function was not without its tense moments. Indeed the entire half-hour which it took Count von Brockdorff-Rantzau to deliver his reply to Premier Clemenceau was a period of tenseness for President Wilson, Premier Clemenceau and Premier Lloyd George, and, in fact, for virtually every one present. The three Allied statesmen put their heads together in evident anger at more than one of the German spokesmen's cutting utterances.

DEATHS

Mrs. Mary E. Rolph, wife of Chas. Rolph, died at her home in Queen Annes on Wednesday last, aged 44 years. Besides her husband, she is survived by one sister, Mrs. Frank Wessell, of Queen Annes, and three brothers, William Simpler, of Kent county; Arthur, of Baltimore; and Leroy, of Kent county. Funeral was held Saturday morning, interment in Chester cemtery.

Mrs. Teresa Raymond Carrington, wife of Mr. O. H. Carrington, died at her home in New York on Wednesday afternoon at 2 o'clock p. m. She leaves her husband, and one son, Raymond. Funeral services will take place from her home, Willow Field Farm, near Still Pond, this Saturday morning at 11 o'clock, Rev. S. S. Hepburn officiating, interment in Still Pond cemetery. Undertaker W. H. Krusen in charge. The bearers will be L. W. Wickes, G. R. Parrott, William Medders, J. W. Clark, Howard Turner, J. N. Bennett, J. G. Beck and Dr. W. S. Maxwell.

WEDDINGS

Miss Alice V. Dowling and Mr. Roland Owen Warner were married at 8.30 p. m. April 13 at the Rock Hall M. E. parsonage by Rev. T. C. Smoot. The young couple were attended by Miss Frances Davis and Mr. William Owens, of Betterton. After the ceremony a reception was held at the home of the bride's parents. Many useful and beautiful presents were received. Mr. and Mrs. Warner will reside in Rock Hall.

Miss Bertha M. Myers, of Betterton, and Vernon M. Robinson, of Still Pond, were married at Elkton on Saturday last.

DeRue Bros. Minstrels

One of the principal features with DeRue Bros. Ideal Ministrels will be the reappearance of the Lehey Brothers in America, direct from the tour of the principal cities of Europe, which included a ten week's engagement at the Colliseum Hippodrome, in London, England, where their act met with great favor and was witnessed by DeRue Bros. European agent, and by DeRue Bros. European agent, and and they were engaged for their first return appearance in America. They have the distinction of being one of the few acrabatic duos which have performed and appeared before royalty. This sensational novelty is without a doubt the most marvelous performance which has appeared in America, performing seemingly impossible feats of acrobatic agility. Lyceum Theatre, Tuesday, May 13.
