The Methodist Centenary

During the week of May 18-25 the M. E. Church of the entire country will be engaged in raising a Centenary fund. After a careful survey of the world need, as it related itself to the Methodist Episcopal Church, it was found necessary to ask for $105,000,000 to be raised in five years. The amount is distributed as follows: for home mission work, $40,000,000; for foreign mision work, $40,000,000 and for war reconstruction work $25,000,000. A like movement is engaging the attention of all evangelical churches, and the work together constitutes the most stupendous undertaking ever projected by the Christian church.

The congregation of the local M. E. Church has created an organization which proposes to touch its entire constituency in a few hours. The work is being undertaken with characteristic zeal and the canvassing board is most optimistic. The amount which the church is undertaking to raise for this year is $2700. The Sunday School has already subscribed $500 of this amount.

Dr. Alderson, the optimistic pastor, is quoted as saying: "Kent County usually puts over what it seriously undertakes. Therefore an enterprise so exceptionally worthy as this is not likely to fail. Chestertown intends to go over the top with hilarity and thus set a pace and give encouragement to others."
