"MICKEY"

"Mickey" is a blending of every human emotion. Yet the story, with its comedy, its romance, its pathos and its wonderful thrills, is of the simplest sort; and simplicity is always greatness, especially if it has so many enjoyable things about it. Plain and straightforward as the plot itself is, the element of surprise is ever in view.

Mickey is a lovable, harum-scarum little tomboy, who is always getting into all sorts of scrapes, that make you laugh and cry—whether with old Joe in the mountain mining district, or later with her aunt in the city. From the village setting to the contrasting scenes in the home of Mickey's aunt, there is ever an atmosphere of reality, with not a a dull moment in all the seven reels.

"Mickey" is the picture you will never forget. See it at Lyceum Theatre Friday and Saturday, May 23 and 24.

DON'T let them send me away."

Comforting, faithful old Minnie—perhaps she guessed the wistful sadness in the eyes of that mischievous, loving little waif, Mickey, alone in the far-off mountain country.

You will never forget this thrilling, wonderful photoplay, "Mickey"— its humor, pathos, love and adventure.
