REPORT OF AUDITORS COMMITTEE
OF KENT COUNTY MD.

To the Honorable Board of County Commissioners for Kent County:

Gentlemen: In compliance with an Act of the General Assembly of Maryland passed January 1904, and in harmony with our appaintment as Auditors by the Circuit Court for Kent County, we have examined the books, accounts and vouchers of the County Commissioners Office, the County Treasurer's Office, the School Board and those concerning the Trustees of the Alms House. The New Assessment gave us additional work, and we necessarily spent sometime in this connection.

This Audit has reference chiefly to the Levy of 1917 when a rate of $1.44 on the $100.00 was declared for County purposes. The assessment books of the County were compared with the tax books of the Treasurer, resulting in an increased basis of $28,282.00; thus making the basis for Real and Personal Property $10,159,287.00 instead of $10,131,005.00.

There were quite a few debits on various bills approved by our Road Engineers, and subsequently passed by you, that were not supported by proper vouchers attached to said bills. These debits and the correctness of these bills are not questioned; but we do not consider this a good practice.

We think a better system of accounting should be put into operation between the County Commissioners Office and the County Treasurer's Office; and we strongly recommend and urge that more promptness and care be given to that class of Tax Bills known as Delinquent and Insolvent. All bills collectible should be collected; and all that are worthless should be charged off in accordance with your order, and the County Treasurer given credit for same. This should appear on your minutes, and likewise appear in the account to be kept by you against the County Treasurer.

We found a number of errors; and while we are aware that errors will occur, we suggest that a greater effort be made and more pains taken to keep mistakes at a minimum.

HISTORY OF KENT COUNTY RED CROSS CHAPTER

Kent County Chapter was organized in October, 1917. From July to October of that year, working under the Baltimore Chapter, Red Cross work had been done in the county, which had been organized into nine working units with Mrs. Lewis H. Wood as Chairman and Mrs. Robert Harris, Vice-Chairman.

Prior to this time and before any organization, the sale of the 1916 Red Cross Christmas Seals, under the "Association for the Prevention and Relief of Tuberculosis," had been conducted so successfully that Kent had won out in competition with five other coutnies in securing one-half year's pay for a county health nurse, the County Commissioners paying the other half.

The Officers of Kent County Chapter have been the following:

Chairman.—Mrs. Lewis H. Wood (October, 1917—November, 1918). A good organizer, a most capable and tactful executive and one ably fitted for this position, even before coming to Kent.

Chairman.—Mrs. Jane V. Robinson (November, 1918—1919), so closely affiliated in all Kent's Red Cross work and activities, became Mrs. Wood's logical successor, and like her, is a most capable executive, and remains as ever endeared to all her co-workers.

Vice-Chairman.—Howard Turner (October, 1917—1919), of Turner & Son, the old lumber firm, established by his grandfather, whose wife's maiden name furnished the name of the now popular summer resort of "Betterton," to boost which place Mr. Turner has probably done more than any other one man.

Secretary.—Mrs. James G. Beck October, 1917—1919), efficient and faithful secretary, an ever-ready helper in all Red Cross and War Work.

Treasurer.—A. A. Harris (October, 1917—November, 1918), banker and one of the leading public-spirited men and County Chairman of all Liberty Loan Drives.

W. H. Eliott (Assistant Treasurer, February—November, 1918; Treasurer November, 1918—1919). Kent was most fortunate in securing such a competent Treasurer, one whose services have been much appreciated by all interested Red Cross workers.

Chairman Finance Committee.—A. A. Harris (November, 1918—1919).

Permanent Chairman of Red Cross Drives.—Howard Turner.

Supervisor of Surgical Dressing and Hospital Supplies.—Jane V. Robinson (July, 1917—November, 1918).

Chairman Woman's Work.—Mrs. H. C. Brown (June, 1918—1919); Mrs. R. C. Harris, Vice Chairman.

Chairman Knitting.—Mrs. C. C. Jones.

Galena.—Mrs. G. R. Jones.

Chestertown.—Mrs. Jane V. Robinson.

Kennedyville.—Mrs. J. D. McCabe (July, 1917—1918). Mrs. J. D. Urie (July, 1918—1919).

Worton.—Mrs. Harry Williams.

Still Pond.—Mrs. Golden Warren (July—Oct., 1917); Mrs. William Medders (Oct., 1917—1919).

Rock Hall.—Mrs. W. O. Selby.

Betterton.—Mrs. Arthur Brice.

Fairlee.—Mrs. Frank W. Smith.

Millington.—Mrs. Merritt Brice.

Pomona.—Mrs. Charles J. Reiche, Mrs. Harold Baker.

Lynch.—Mrs. Alvin Stavely.

Auxiliary Chairman.—All leading and representative citizens of their separate localities and the county as well.

Galena, organized as the others, first as a unit, then an auxiliary, was organized as a branch June, 1918, with Mrs. G. R. Jones as Chairman.

Chairman Committee on Civilian Relief and Home Service Work.—Mrs. S. C Emory, nee Miss Violet Beck, most capable, efficient and untiring in all efforts pertaining to her office.

Other Committee Chairmen appointed by County Chairman to do their respective work. Work done locally through local Chairmen of auxiliary:

Nurses Survey.—Mrs. T. H. Skipper.

Belgian Relief.—Mrs. J. D. Bacchus.

Linen Shower.—Mrs. William G. Smyth.

Conservation.—Mrs. William Medders.

Christmas Boxes.—Mrs. A. A. Harris

Motor Service.—Mrs. S. S. Beck.

Junior Work.—Louis C. Robinson, M. Adele France.

Handicapped much at the start because of lack of quarters, Red Cross workers were much rejoiced when quarters were secured and the Chapter House was finally opened in March, 1918, since which time work has progressed much more rapidly. Shortly after this, the Chestertown Auxiliary was merged into the Chapter work rooms.

In several of the towns where were located modern schools, a room was provided for Red Cross Work, but in the localities where no surgical dressings were made, work was done either in a room at the local church or one offered for use by a private family. Oftimes more was accomplished in having shirts, pajamas and refugee garments taken home, in which case it was done.

The colored women, showing a great desire to help, were organized into the following auxiliaries: Coleman's, Georgetown, James A. M. E. Church, Bethel, Still Pond and one at Fountain Church had been wanting organization when the armistice was signed.

Our County Chairmen and Supervisors and others were ready to go when called to various sections of the county to organize, instruct or in any way serve the cause and help the good work along, co-operating thus on these occasions and at regular meetings, and at many social affairs when money was needed for the work, great good accrued to the individual and to the communities represented, by the enlargement of their vision for service and the oneness of the work and workers.

First War Drive, made in June, 1917, before County was even organized under Baltimore City, $870.00.

Second War Drive, May, 1918, $6086.12.

Membership Drive of 1917, 2547 members.

Membership Drive of 1918, 2597 members.

Supplies made by Chapter (with few exceptions, until November, 1918, garments cut out by workers): Surgical Dressings, 43,800; Hospital Supplies and Knitted Garments, 11,130.

Refugee Garments, 1,803.

Supplies by Branch: Surgical Dressings, 14,000; Hospital Supplies, 540; Refugee Garments, 220; Number of Garments collected for Belgium Relief (Nov., 1918), 1,488.

Used Clothing Drive for 1919: 1200 pounds of clothing, 2 bags shoes.

Linen Shower: 46 sheets, 52 bath towels, 11 1-4 dozen hand towels; 6 1-2 dozen napkins; 9 1-2 dozen handkerchiefs.

The Civilian Relief and Home Service Work has been handled most ably and well, and many soldiers, sailors and their families may well sing the praises of both the Red Cross and Kent's Red Cross Civilian Relief and Home Service Chairman and her committee because of attention given them and interest shown.

The Motor Service, under the able captaincy of Mrs. S. Scott Beck, not only facilitated Red Cross work by its many and varied errands done in various parts of the county, but helped most laudably in the transportation of speakers and those interested in the various War Drives.

Junior Red Cross, under the efficient leadership of Louis C. Robinson, formed auxiliaries in twenty-one schools, totaling 1,004 members—present number 24 schools, number members 1,135. Most excellent work in Thrift and War Savings Stamps has been reported by him and his enthusiastic and competent successor, Miss Adele France.

Work completed by Junior Red Cross Auxiliaries, most of which was turned into County Chapter: 20 knitted articles, 221 hospital supplies, 84 refugee garments, 45 camp supplies, 3 rag rugs, 385 scrap books.

Special mention should be made of donation of $100 by the Chestertown High School to County Chapter and of $31.83 from St. Paul school.

The Health Crusade has been started in ten schools and in some it is progressing splendidly.

The Junior work was much handicapped both by loss of time occassioned by the flu, and the consequent doubling up of school work, thus necessitated, furnishing little time for other work. They are glad to report on hand $262.13.

Most commendable work in the Relief of Tuberculosis began, as stated, before organization of Red Cross in the county has been continued. A history of this work would not be quite complete without the mention of Mrs. P. A. M. Brooks' activity, without which our County Chairman would have been unable to do much of the work that has been done. In 1917 sale of Christmas Seals was conducted, the funds going to the expense of the county nurse, while the commissioners paid her entire salary of $1000.

After Kent's work was well under way, all of the boys leaving the county for service were fitted out with sweater, socks and kit, and it was a keen disappointment to the workers when that part of the work was taken from them.

Special recognition was made of the boys by Red Cross auxiliaries of their locality and remembrances sent to them. Galena sent 23 Christmas boxes in 1917, and to the boys at Camp Meade 233 containers of fruits, jellies and pickles at Thanksgiving of the same year. Fifty Christmas boxes in 1917 were sent by Chestertown auxiliary to French soldiers.

And so we might go on enumerating things done by Red Cross and Red Cross workers, not already mentioned, but time and space will not permit. Kent begs leave to say, however, in submitting this report, that while she can but regret she has not more work to report, it has been her pleasure to respond to all appeals, and she feels her sincere efforts in this direction have been rewarded by being placed on Honor Roll for Surgical Dressing and Muslin Work, also for shipping goods promptly.
