## Red Cross and Navy League

Two years ago today, May 17, 1917, the first American Red Cross of Kent County was organized in the town hall of Galena by Mrs. L. C. Wood, of Chestertown, County Chairman. Some time later Mrs. Howard Hubbard, of Baltimore, organized the Navy League. The membership, numbering about fifty, was drawn from Galena, Georgetown, Fredericktown, Sassafras and Massey. Galena worked as an independent unit for about a year, then organized into a branch of the Kent County Chapter. Meetings were held once a week for a short time, but finding we could not accomplish the work, we were anxious to do, we agreed to meet twice and sometimes three times a week, to speed up the work so badly needed at that time. Surgical and hospital work was done by the Red Cross, the Navy League looked after the knitting. The number of surgical dressings sent to headquarters from May 17, 1917, to November 11, 1918, composed of compresses, wipes, sponges, roll gauze, bandages, etc., was 18,300. The number of hospital supplies sent were 60 bed shirts, 60 sets pajamas, 384 towels, 250 triangular bandages, 15 sheets, 12 pillow cases and 843 other miscellaneous articles; 25 comfort kits were made and filled, 24 drafted boys of the first district were outfitted with sweaters, mufflers, wristlets and comfort kits, 233 containers of preserves and pickles were sent to Camp Meade for Thanksgiving. A Christmas box was sent the men from this district at Camp Meade. A box containing sheets, towels and handkerchiefs, was sent to the linen shower for the French hospitals. $51.00 was made from a bake and given to the war fund. A box of surgical and hospital supplies and a donation of $50 for books for the wounded soldiers were sent to Fort McHenry. In 1917 Red Cross drive for membership, 196 were enrolled. In the Red Cross roll call for 1918, 338 responded. 238 refugee garments have been made and shipped. Several boxes of war clothing have been collected for same. A Victory bond of $100 has been subscribed.

Galena will always remember with pride that she was the first in the county to enlist in this noble work.

## Farmers' and Producers' Meeting

The Postoffice Department, through the Rural Motor Parcels Post Service of Philadelphia and surrounding districts, has received the assurance of the organization of nine Community Club Markets in the city of Philadelphia with a board of responsible men at its head who have assured the Postoffice Department that they are in a position to handle all produce brought into the city by the parcels post routes.

It is the plan of the Postoffice Department, since the organization of these markets, to get the producers of the Eastern Shore and other parts of the outlying districts into touch with these markets by the parcels post routes now in operation down the Eastern Shore, thereby assuring the producers of a market for an unlimited amount of any kind of marketable produce, such as the early spring produce, eggs, butter, fowls, potatoes, tomatoes and fruits of all kinds, at a fair price to the producer.

A representative of the Postoffice Department will be in Chestertown on Tuesday, May 27, for the purpose of outlining to the producers and business men of the city a plan for the marketing of all surplus products. If your are interested meet with your neighbors and the representative of the Postoffice Department next Tuesday at 8 p. m. in the Court House. This meeting is extremely important to the farmers, business men and shippers generally who are urgently invited to be present. The Government is making every effort to bring the producer in contact with the consumer, and the meeting will discuss the best method of doing this. This meeting will be in charge of Couny Agent Burrell, who urges every farmer and producer to be here on Tuesday evening to hear these most important thopics discussed.

**The Jitney Still Jits.**—Recent articles on the war tax just levied on soft drinks, confections, etc., have given rise to some misunderstanding, and the Wm. Wrigley, Jr., Co. issues a statement to the effect that the 3 per cent tax on chewing gum does not affect the retail dealer or the consumer. Mr. Wrigley explains that the manufacturers stand this tax, and there should be no change in the price charged you for your package of Wrigley's Spearmint, Doublemint or Juicy Fruit. In other words, the jitney still jits.
